

COMBO CARGO

THE FACTS SPEAK FOR THE COMBO.

The Combo Cargo is everything you'd expect from an efficient, reliable and versatile cargo van. At the top of its class and available in a variety of sizes, the Combo Cargo can haul loads of up to a ton – effortlessly.

Its spacious multifunctional interior, fuel-efficient engines and innovative features ensure your total cost of ownership is at its lowest while your daily productivity is at its highest.

- ✓ **1. Low Fuel Consumption:**
Top-notch engines feature improved fuel consumption and reduced CO₂ emissions.
- ✓ **2. Modern Cockpit:**
An 8" colour touch screen*, heated seats*, heated leather steering wheel* and high seating position make every commute an enjoyable experience.
- ✓ **3. Generous Storage:**
15 storage compartments ensure you're always fully prepared for every job.
- ✓ **4. High Capacity:**
The passenger bench* and the load-through bulkhead boost the Combo's cargo space up to 4,4 m³. The passenger bench* effortlessly folds down to increase load length for optimal utility and flexibility.
- ✓ **5. Advanced Assistance Systems:**
13 features such as Flank Guard*, Rear View Camera*, Permanent Rear View Camera*, Overload Indicator* and Automatic Cruise Control* alleviate stress and help you get the job done.
- ✓ **6. High Payload:**
With a maximum payload of upto 1000 kg, the Combo Cargo ensures heavy hauls are no problem.
- ✓ **7. Safety Systems:**
Innovative safety features such as Lane Departure Warning*, Forward Collision Alert with Automatic Emergency Braking* and Driver Drowsiness Alert* – all keeping you safe and sound on the road.

*Optional, standard or not available according to trim chosen.

VERSATILITY FOR THE TOUGH JOBS.

1. Huge Load Space:

The Combo Cargo has everything you want from your spacious cargo van – a low loading edge, plenty of room and excellent accessibility. Total cargo space of 3,8 to 4,4 m is accessible through either slam doors with a 180° hinge, the tailgate or sliding doors.

2. Functional and Versatile Passenger Bench*:

A. Normal:

On-the-job adaptability is key. The 2-seater passenger bench* seamlessly adapts your Cargo to your needs with space for 3 adults up front.

B. Upfolded:

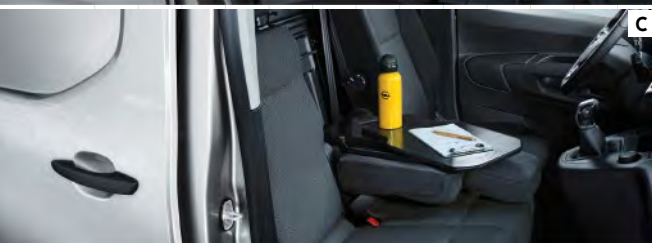

For increased load volume, the outer bench seat can be folded up to accommodate more cumbersome loads in the front floor space and footwell.

C. Table:

The middle seat of the front passenger bench also folds down easily to become a useful table, transforming your Combo Cargo into a mobile office.

D. Downfolded:

Alternatively, fold the outer passenger seat down to maximise load length.

FOR ALL THE HEAVY LIFTERS.

1. The Combo Cargo XL and Crew Van:

The Combo Cargo XL includes all the convenient features of the Combo Cargo with even more space. While the 5-seater Crew Van's smart and practical design with a movable second row passenger bench seat makes it the ideal work crew transport vehicle.

2. Tailgate*:

Protect your cargo from bad weather when loading and unloading.

3. Overload Capacity Indicator*:

Located in the cargo area, gives out a warning whenever the vehicle's payload has been breached and helps to find out if the load is near or exceeding the admissible payload.

4. Cargo Partition with Hatch*:

This bulkhead includes an opening hatch ideal for professionals needing to transport long objects up to 3440 mm⁴.

AN INTERIOR BUILT FOR COMFORT.

1. Functional Comfort:

With an 8" touch screen* for total compatibility with Apple CarPlay™ and Android Auto™², the Combo Cargo perfectly bridges functionality, innovation and well-being. Relax with amenities like wireless charging^{1*} designed to keep you going throughout the day.

2. Convenient Storage:

15 easy accessible storage compartments make finding and storing the essentials as simple as reaching under your seat¹.

3. Heated Features:

Keep your hands and body warm when temperatures start to drop with the heated seats* and heated leather steering wheel¹.

4. Multimedia Navi Pro¹:

The range-topping navigation system includes an impressive 8" touch screen* with advanced voice control and 3-D navigation to keep you on track during everyday drives or longer hauls.

2

3

4

SAFETY FIRST.

1. Automatic Emergency Braking*:

The Combo Cargo's Forward Collision Alert* with Automatic Emergency Braking* warns the driver if an obstacle, such as a pedestrian or other vehicle, should cross its path. If no action is taken, the car brakes automatically lowering the risk of potential collisions.

2. Permanent Rear View Camera*:

Designed especially for the Combo Cargo, the Permanent Rear View Camera* sends the image from the rear tailgate to the interior rear-view mirror to give drivers a greater sense of awareness of their surroundings and traffic.

3. Head-Up Display*:

Keep crucial driver info in your line of sight, so you can keep your eyes safely on the road.

4. Rear View Camera*:

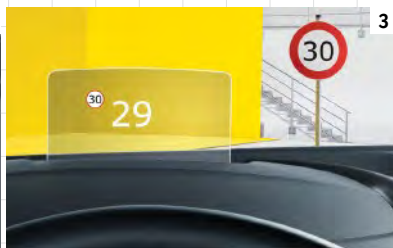

The Rear View Camera* provides a view of the scene to help you stay aware of obstacles during parking or reversing manoeuvres.

5. Automatic Cruise Control*:

Sees ahead and maintains a safe distance from the vehicle in front at speeds between 30 and 160 km/h. The automatic acceleration and braking is extremely comfortable on long trips.

6. Flank Guard*:

Provides acoustic and visual warnings to prevent any low-speed collisions with side obstacles like poles or other vehicles.

ROOM FOR THE WHOLE CREW.

The Combo Cargo Crew Van is spacious enough for you, your crew and every last bit of gear. With 2 seats in the front and 3 in the second row, the Crew Van is a flexible 5-seater. If you're looking to easily expand the Combo Cargo's load space to 4,0 m³, fold down the second

row passenger seats and open the hatch for a maximum load length of 3440 mm. The Crew Van is based on the Combo Cargo XL Selection and features the same standard equipment.
