

COMMERCIAL VEHICLES

2020 Models Edition 1

BUILT FOR YOU AND YOUR BUSINESS.

The purchase of a commercial vehicle represents a significant investment. Its true value can be judged by how efficiently it works for you and your business. All Opel commercial vehicles excel to meet the demands of operators and we go to extraordinary lengths to ensure that they also spend the maximum time where they work their hardest – on the road.

COMBO. SOLID CAPABILITIES.

Meet the new Combo Cargo, International Van of the Year 2019. Our compact panel van does the basics brilliantly and yet is packed with features lifting it way above the ordinary. Combo not only looks the business, it does the business. Hard-working, rugged and practical, its versatility is its biggest strength - designed to help you get the job done. There's a model that will work for you, whatever your trade.

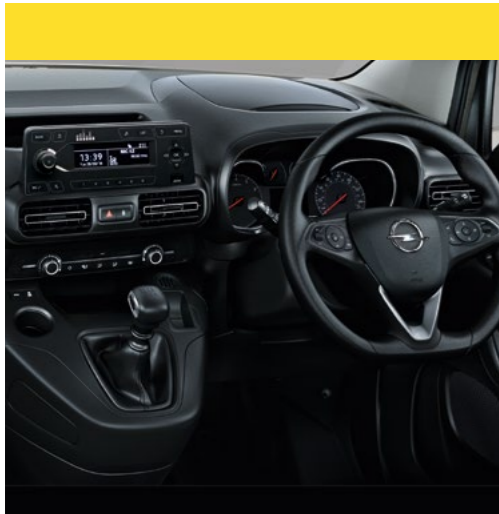

A huge load volume, up to 987kg payload, smart safety tech and advanced connectivity make the new Combo Cargo better than ever.

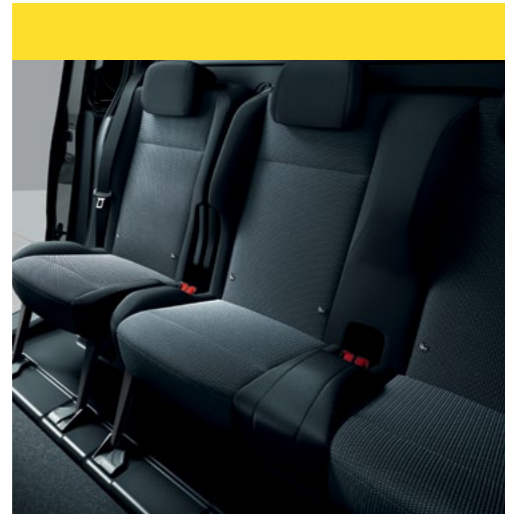

INTERIOR.

Combo Cargo's interior is full of fantastic features making every trip cool, calm and convenient. The adjustable steering wheel and premium seats will keep you comfortable at all times – even Monday mornings.

The ultra-modern cabin has everything you need at your fingertips and you can opt for an 8-inch colour touchscreen* for an even smarter experience. Combo Cargo also comes with an array of useful storage compartments (up to 15). Tidy.

Functional Comfort: With the availability of touchscreen infotainment and smartphone projection capability, the Cargo perfectly bridges functionality, innovation and well-being. Relax with features like Bluetooth® connectivity and digital radio as standard, designed to keep you going throughout the day.

Room for five: The Combo Cargo Crew Van is spacious enough for you, your crew and every last bit of gear. With two seats in the front and three in the second-row, the Crew Van is a flexible 5-seater.

Multimedia Navi Pro: The range-topping navigation system includes an impressive 8-inch touchscreen with advanced voice control and 3D navigation to keep you on track during everyday drives or longer hauls.

*Not all the features and options listed are available on every model. Please see the Combo Price and Specification Guide available to download at www.opel.ie for further details.

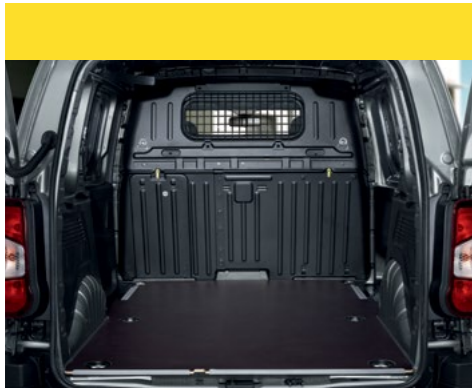

LOADSPACE.

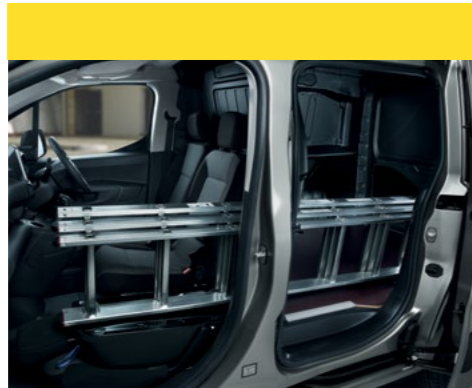

Combo Cargo has everything you would ever want (and need) from your work van – a low loading height, plenty of room and brilliant accessibility. Not to mention generous load volume and convenient easy-to-fold seats. Your working day just got a whole lot easier.

Access and loadspace features* include:

- Accommodates up to two Euro pallets – L2 models
- Low rear sill height assists loading and unloading
- Choice of side loading door options increases convenience
- Crew Van models available for increased versatility

Cargo Partition: Keep occupants and load separate with a variety of partitions such as the solid bulkhead between passenger and load areas – available with or without a window to match every business need.

FlexCargo Pack: Includes a full-height steel bulkhead with load-through facility ideal for professionals needing to transport long objects up to 3.44m.

| LOAD AREA DIMENSIONS | mm |
|---|-------------|
| Maximum floor load length | 1051 – 2167 |
| Maximum floor load length – with load through | 3050 – 3440 |
| Maximum load area width | 1630 |
| Width between wheel arches | 1229 |
| Maximum load area height | 1236 – 1243 |
| Maximum rear door aperture height | 1196 |
| Rear door aperture width (at floor) | 1241 |
| Loading height (unladen) | 548 – 620 |
| Sliding side-access door aperture height | 1072 |
| Sliding side-access door aperture width | 579 – 675 |
| LOADSPACE VOLUMES | cu.m |
| Maximum loadspace volumes (VDA method) | 1.8 – 4.4 |
| PAYLOADS | kg |
| Payload | 654 – 987 |

*Not all options are available on every model. Please see the Combo Price and Specification Guide, available to download from www.opel.ie for further details.

POWER AND EFFICIENCY.

An impressive range of engine options feature excellent fuel consumption and help minimise CO₂ emissions. Punchy and efficient diesels – there's something to work for your mileage and payload.

Powerful turbo-diesel engines

- 1.5 turbo-diesel availability. 75PS-130PS of power, 230-300Nm of torque
- Five-speed manual gearbox (75PS, 100PS), 6-speed manual gearbox (130PS)
- Eight-speed automatic transmission (1.5 130PS models only)
- Power-assisted steering

Efficiency comes as standard

- AdBlue technology for Euro 6 compatibility
- Start/Stop facility (not 1.5 (75PS) models)
- Service intervals up to 40,000km/two-years (whichever occurs sooner)*
- Three-year/150,000km manufacturer's warranty and 12-year body panel anti-perforation warranty

*Or oil-life quality monitor warning whichever is the sooner.

Not all options are available on every model. Please see the Combo Price and Specification Guide, available to download from www.opel.ie for further details.

NEW VIVARO. THE VAN THAT DOES MORE.

Introducing the new Vivaro, the van engineered to go above and beyond expectations. With three versatile body styles – the regular van, Crew Van and Combi – you'll find the perfect Vivaro for you, whatever the nature of your business. Are you ready to demand more of your van?

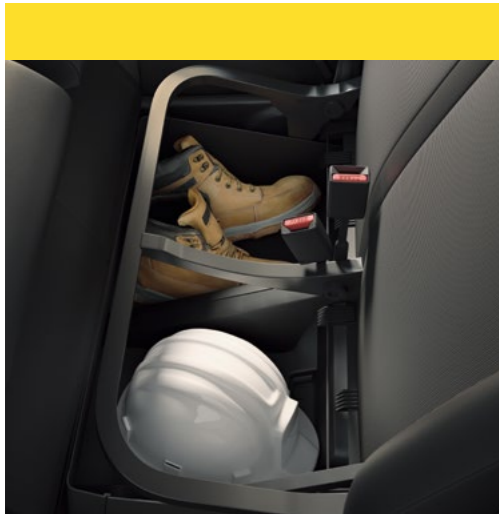

The Vivaro has been designed from the ground up to become the most competitive commercial vehicle in its segment. Enjoy a highly flexible load space, class-leading payload, mobile office functionality and various connectivity features – all in the name of driving your business forward.

INTERIOR.

Enjoy a high degree of comfort in the Vivaro's spacious cabin, with seats designed for perfect ergonomic support even across the longest of journeys and available in a variety of attractive trims.

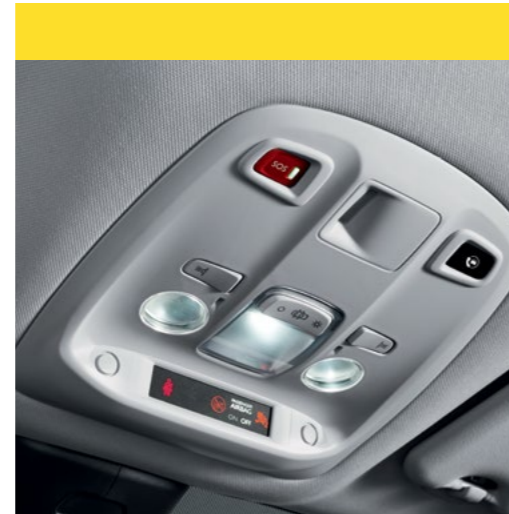

Stay connected on the road with smart technology and security systems. Helpful features such as emergency call, breakdown call with access to Roadside Assistance will be available from early 2020¹. Whatever the nature of your business, having the ability to turn your van into a mobile office is essential. There are a variety of other practical storage solutions throughout the cabin and dashboard, so that every object has its own place, keeping you organised and your business on track – day in, day out.

Passenger bench with integrated storage²: Enjoy additional storage volume underneath the passenger bench² cushions, so you can stow work equipment and other valuable objects up to a volume of 60 litres.

Navigation system: The navigation system includes an impressive 7-inch touch screen² and 3D navigation to keep you on track during everyday drives or longer hauls.

Opel Connect: Stay connected on the road with smart technology systems, security systems and driver innovations including eCall with emergency crash response. More helpful features such as Roadside Assistance and vehicle status and information will be available from early 2020.

¹Emergency and breakdown call availability as an option in vehicles, plus further Opel Connect Services, expected from early 2020. Services might require a subscription/fee and are subject to mobile network coverage and availability.

²Standard on Sportive models, optional on Edition models. Not all the features and options listed are available on every model. Please see the New Vivaro Price and Specification Guide available to download from www.opel.ie for further details.

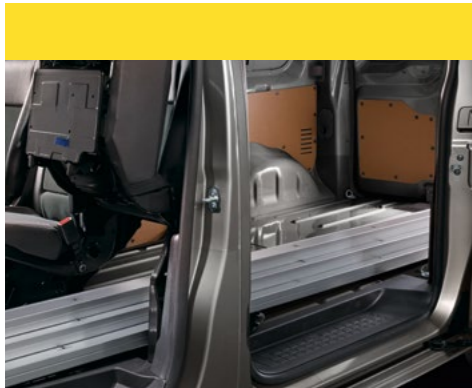

PANEL VAN.

Despite its relatively compact exterior dimensions, the Vivaro's clever interior packaging and innovative FlexCargo® passenger bench¹ create a highly competitive load volume (up to 6.6m³) and load length (up to 4m).

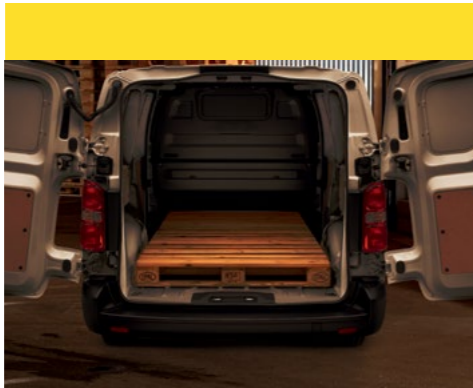

Payload: cut down on journeys by carrying more each time, thanks to the Vivaro's generous maximum payload of 1,400kg.

Access and loadspace features* include:

- Choice of two wheelbases
- Easy-access, 1m-wide nearside sliding side-loading door
- Full-height steel bulkhead
- Unglazed rear doors (90/180° opening)
- Illuminated load area
- 12-volt electrical accessory socket in load area

FlexCargo® load-through function¹: Seat three comfortably up front or fold up the outer front passenger seat and use the partition wall flap to maximise the Vivaro's continuous, flat loading area when carrying longer cargo.

Load area: Available in two sizes of body length – L1 and L2 – the new Vivaro perfectly adapts to your business needs, each variant offering a balance between relatively compact exterior dimensions and a spacious, flexible interior. L1 models can carry two euro-pallets, while the larger L2 model can comfortably carry three.

*Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide, available to download from www.opel.ie for further details. ¹Standard on Sportive, optional on Edition models. ²L2 models include FlexCargo® with seat folded up.

| LOAD AREA DIMENSIONS | mm |
|--|-------------------|
| Maximum floor load length (without FlexCargo®) | 2512 – 2862 |
| Maximum floor load length (with FlexCargo®) | 3674 – 4024 |
| Maximum load area width | 1636 |
| Width between wheel arches | 1258 |
| Maximum load area height | 1397 |
| Maximum rear door aperture height | 1220 |
| Rear door aperture width (at floor) | 1282 |
| Loading height (unladen) | 613 – 633 |
| Sliding side-access door aperture height | 1241 |
| Sliding side-access door aperture width | 935 |
| LOADSPACE VOLUMES | cu.m |
| Maximum loadspace volumes (VDA method) | 5.3-5.8 – 6.1-6.6 |
| PAYLOADS | kg |
| Payload | 1039 – 1458 |

DOUBLECAB.

Need your van to offer even greater seating flexibility? With space for up to six, the Vivaro Doublecab is the ultimate solution, allowing you to move both people and cargo without compromise.

Access and loadspace features* include:

- Choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Up to 5.5cu.m maximum loadspace volume
- High-strength ABS plastic bulkhead with window
- Half-height sidewall trim with storage pocket
- Three-passenger rear bench seat

Edition models – foldable rear bench with integrated steel mesh bulkhead: a generous load volume of up to 4.0m³ (rear bench upright) can be expanded to 5.5m³ (bench folded up), extending the maximum load length by an extra 60cm¹ by folding the bench and partition.

| LOAD AREA DIMENSIONS | mm |
|--|-------------------|
| Maximum floor load length | 2017 – 2365 |
| Maximum floor load length (with folding bulkhead – bench seat down) | 2018 – 2367 |
| Maximum floor load length (with folding bulkhead (bench seat folded up)) | 2029 – 2376 |
| Maximum load area width | 1636 |
| Width between wheel arches | 1258 |
| Maximum load area height | 1397 |
| Maximum rear door aperture height | 1220 |
| Rear door aperture width (at floor) | 1282 |
| Loading height (unladen) | 613 – 633 |
| Sliding side-access door aperture height | 1241 |
| Sliding side-access door aperture width | 935 |
| LOADSPACE VOLUMES | cu.m |
| Maximum loadspace volumes (VDA method) | 3.2-4.7 – 4.0-5.5 |
| PAYLOADS | kg |
| Payload | 1121 – 1167 |

*Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide, available to download from www.opel.ie for further details.
¹At mid-height.

COMBI.

Thanks to its clever interior packaging, the Vivaro Combi can comfortably seat up to nine people. Tinted rear windows, dual sliding doors and flexible seating configurations¹ make it the ideal taxi or agile people mover for your team. In the front, choose from an individual passenger seat or bench for two. In the second row, choose a 3-seater bench¹ or 2-seater bench with individual folding third seat¹. In the third row, again choose a 3-seater bench¹ or maximise flexibility with an individual third seat¹ for loading longer items alongside several passengers.

5-seater with two single seats in the front and 2-seater bench and one single seat in the second row.

6-seater with one single seat and 2-seater bench in the front and 2-seater bench and one single seat in the second row.

8-seater with two single seats in the front, 2-seater bench and one single seat in the second and third row.

8-seater with two single seats in the front, 2-seater bench and one single seat in the second and third row, pulled down.

- Up to nine-seat configuration with choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Three-passenger second and third-row bench seats
- 60/40 split-folding seat back for second and third-row bench seat
- Inertia-reel lap and diagonal seatbelts for all seats
- Glazed tailgate with heated rear window and wash/wipe facility
- Rubber floor covering
- Half-height sidewall trim
- Load restraint lashing eyes for load area

¹Optional.

POWER AND EFFICIENCY.

Fuel consumption: Go further on a single tank with the Vivaro's range of four powerful yet frugal turbo diesel engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.

With the Vivaro's Worksite Pack¹, suspension is raised by 25mm for those occasions when extra ground clearance is required. Also included are an increased payload and an under-engine cover plate to prevent damage from rough surfaces. In bad weather and on challenging surfaces, IntelliGrip¹ provides greater grip.

Powerful turbo-diesel engines

- 1.5 and 2.0 turbo-diesel availability. 100PS-150PS of power, 270-340Nm of torque
- Six-speed manual gearbox
- Power-assisted steering

Efficiency comes as standard

- AdBlue technology for Euro 6 compatibility*
- Start/Stop technology and ECO mode function improves fuel economy
- Service intervals up to 40,000km/two-years (whichever occurs sooner)
- Three-year/150,000km manufacturer's warranty and 12-year body panel anti-perforation warranty

¹Optional.

For complete information on technical data, fuel economy and emission data please refer to the Vivaro Price and Specification guide available to download from www.opel.ie

*For more information on AdBlue please visit www.opel.ie

NEW MOVANO BUILT FOR BUSINESS.

Big in size and big on features, with impressive payload, versatility and driver comfort - Movano is built for you and your business. With endless options for endless possibilities; four load lengths, three roof heights, large load volumes and more model variants than ever before.

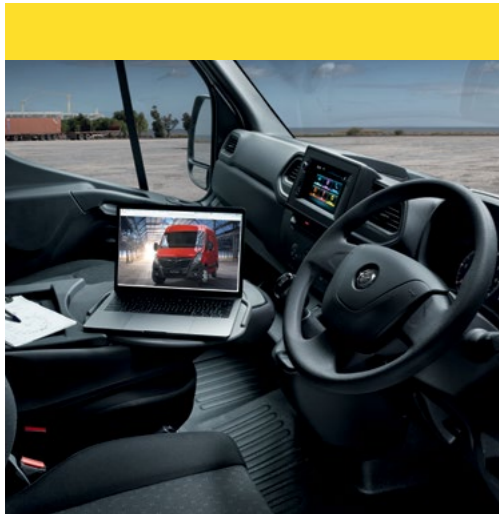

Plus, a range of purpose-built factory and Opel approved conversions. Not to mention a well-thought out interior and host of first-class features that make life in your van easier. Like a comfortable cabin that puts all your buttons and switches right where you need them. Enhanced safety systems that keep you safe on the road and an improved range of diesel engines that keep your costs down and efficiency levels up. It's time to expect a whole lot more from your work van.

INTERIOR.

Movano's comfortable and versatile cabin is completely in tune with your individual and professional needs. Inside, you'll find a well-equipped driving environment with a radio with Bluetooth® connectivity as standard. Add Multimedia Navi Pro infotainment and you'll also get smartphone projection and a fully integrated sat nav.

Movano's new and improved cabin is equipped with plenty of large and useful storage spaces, with secure areas in both the doors and dashboard. If that's not enough, the Convenience Pack option transforms your cab into a full-on mobile office. Very smart.

Mobile office capability: The Convenience Pack options help transform the cab into a state-of-the-art, full-on mobile office.

Bluetooth® and DAB Radio: The standard CD16 is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

Dashboard Storage: Lots of smaller items to stow? You'll get multiple storage solutions, including a huge 11-litre passenger glovebox – that'll come in handy.

Not all the features and options listed are available on every model. Please see the Movano Price and Specification Guide for details.

PANEL VAN.

Maximum payload and usable loadspace are an absolute must have in this class of van. Movano boasts serious flexibility to match the van's capacity to your exact business needs, whatever the requirement.

Access and loadspace features* include:

- Full-height steel bulkhead
- Half-height load area protection panels – RWD models
- Floor-mounted load lashing eyes
- Unglazed rear doors (90/180° opening)
- Wide opening side and rear doors
- Choice of three wheelbases

Enjoy an impressively useful maximum load volume of up to 14.1cu.m and a load length of up to 4.3 metres .

Movano offers superb accessibility: The wide-opening rear and side access doors mean a Euro pallet can be easily loaded sideways, while a flat load floor ensures easy access to up to 1529kg of payload... pretty impressive.

*Not all the features and options listed are available on every model. Please see the Movano Price and Specification Guide, available to download from www.opel.ie for further details.

| LOAD AREA DIMENSIONS | mm |
|--|-------------|
| Maximum floor load length | 3083 – 4383 |
| Maximum load area width | 1765 |
| Width between wheel arches | 1080 – 1380 |
| Maximum load area height | 1894 – 2048 |
| Maximum rear door aperture height | 1724 – 1820 |
| Rear door aperture width (at floor) | 1577 |
| Loading height (unladen) | 557 – 724 |
| Sliding side-access door aperture height | 1684 – 1780 |
| Sliding side-access door aperture width | 1270 |
| LOADSPACE VOLUMES | cu.m |
| Maximum loadspace volumes (VDA method) | 9.4 – 14.1 |
| PAYLOADS | kg |
| Payload | 1037 – 1529 |

POWER AND EFFICIENCY.

BiTurbo diesel engines

Movano boasts a brand-new range of powerful yet frugal BiTurbo diesel engines, for low running costs, reduced emissions and maximum efficiency.

Powerful turbo-diesel engines

- Six-speed manual gearbox with electronic shift indicator
- Power-assisted steering
- Tecshift semi-automatic transmission available

Efficiency comes as standard

- AdBlue technology for Euro 6 compatibility*
- Start/Stop technology and ECO mode function improves fuel economy
- Outstanding durability with servicing intervals up to 40,000 kilometres/one year (32,000 kilometres on Minibus models)

For complete information on technical data, fuel economy and emission data please refer to the Movano Price and Specification guide available to download from www.opel.ie
*For more information on AdBlue please visit www.opel.ie

FLEXIBILITY.

Chassis cab and crew cab models provide the perfect base for one of three factory-built conversions – tipper, dropside, box van or our extensive range of approved conversions.

CHASSIS CAB.

Movano chassis cab models feature rugged box section chassis rails, featuring wide top sections with built-in mounting points. The bolted rear under-run bar provides additional built-in safety, as well as ample margins for additional bodywork while retaining outstanding payloads.

- Three load lengths (L2, L3, L4)
- One GVW (3500kg)
- Front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive

CREW CAB.

Providing the same choice of body configurations and GVWs as the chassis cab but extra accommodation for four additional crew members.

- One load length (L3)
- One GVW (3500kg)
- Front-wheel drive

PLATFORM CAB.

Ideal for those conversions requiring a low floor and walk-through access from the cab. The interface panel makes for easy integration of the cab with the conversion body, while an extended-length wiring loom is available to power the rear lights or extended conversions.

- One load length (L3)
- One GVW (3500kg)
- One roof height (H1)
- Front-wheel drive

Spacious and practical: With space for up to seven, the crew cab pays serious attention to the needs of driver and crew. Fabrics are hard-wearing and comfort levels are high.

Vehicle illustrated features Halo Silver two-coat metallic paint, optional at extra cost.

OPEL CONVERSIONS.

With chassis cabs, crew cabs, cabs and purpose-built factory conversions available, Movano is big on choice. It's incredibly versatile, too, with front-wheel drive, rear-wheel drive and heavy-duty twin rear-wheel drive options available.

Of course, all Movano factory conversions carry the full Opel three-year/150,000km warranty on both the chassis and the conversion.

L3 H1 3500 FWD Chassis cab dropside.
L2 H1 3500 DRW tipper.

OPTIONS.

Our options and option packs allow you to tailor your equipment package to suit the individual demands of your business. Please see the Commercial Vehicle Price and Specification Guides for full details of option availability and prices for each model.

Other individual options* include:

Loadspace

- Window for bulkhead
- Offside sliding side-access door

Safety and security

- Additional airbags
- Security alarm

Mechanical

- Tow bar
- Digital tachograph

Facia instruments and controls

- Cruise control
- Satellite navigation system

Interior

- Air conditioning
- Electronic Climate Control

Seating

- Vinyl seat trim

*Not all the options listed are available on every model. Please see the relevant Commercial Vehicle Price and Specification Guides for details.

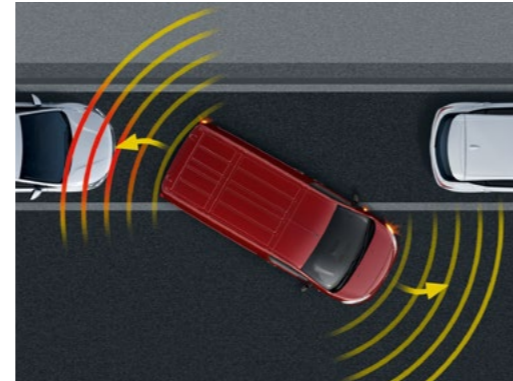

Vivaro load area protection: A range of options are available to help protect loads and safeguard the interior:

- Resin-coated laminate plywood load floor covering
- Resin-coated laminate plywood wheel arch protection

Satellite navigation: All four CV models are now available with touchscreen infotainment systems featuring the very latest in satellite navigation to keep you on track during everyday drives or longer hauls.

Rear parking distance sensors: Rear parking distance sensors provide an audible warning to help prevent accidental damage when reversing.

Rear view camera systems: Available for all four CV models, they provide a real-time view behind the vehicle to help you stay aware of obstacles during parking or reversing manoeuvres.

Floor mats: Safeguard your carpet from mud, water, road salt, snow or dirt with the robust easy-to-clean rubber mats, designed especially to fit your Opel CV model.

Rear window protection grilles: Constructed from 1mm thick epoxy coated steel, the rear window protection grilles help avoid theft while retaining rearward visibility.

Roof carrier system: A base carrier system is available for all Opel CV models which can be fitted with a variety of steel roof rack systems depending on the model.

Trailer hook: Particularly suited to heavier loads, the trailer hook is finished in an anti-corrosive epoxy powder treatment.

ACCESSORIES.

Opel accessories are all about choice – selecting your van then personalising it to suit the way you work. We offer a huge range of dealer-fit accessories, all designed to the same exacting standards as the vehicle itself. For further information please speak to your Opel Commercial Vehicle dealer.

Other accessories* include:

Protection

- Floor mats – carpet and rubber

Safety

- Safety Pack
- Rear parking distance sensors

Practical

- Mudflaps
- Fire extinguisher (1kg or 2kg)
- Temporary tyre inflation kit

Towing

- Fixed tow bar
- Towing electrics (7-pin or 13-pin)
- Towing electrical adaptors (7/13-pin or 13/7-pin or 12S adaptor)

*Not all the options listed are available on every model. Please see the relevant Commercial Vehicle Price and Specification Guides for details.

COLOURS AND TRIMS

Opel Commercial Vehicles are available in a wide range of colours, including the latest metallics, matched to a variety of hard wearing trims, so you're sure to find a combination that best suits you and your business. Not all colours may be available, please check with your Opel dealer for more information.

OPEL SERVICE.

When it comes to servicing and maintenance, Opel's expert repair network provides fast, convenient and great value after-sales care – getting your car or commercial vehicle back on the road quickly. Opel has the specialised equipment, tools and training to support all of your after-sales needs, using only genuine parts fitted by Opel trained technicians. Simply put, we are your 'one-stop shop' for all after-sales support.

SERVICE

OPEL IS YOUR SERVICE PROFESSIONAL

- Powerful and nationwide service network
- Comprehensive service plans
- Over 30 Opel authorised repairers
- New commercial vehicle warranty of three years/150,000km
- 12-year anti-perforation warranty
- Roadside assistance for 12 months

MYOPEL

CUSTOMISED PROTECTION

MyOpel is a Service Club that brings all the advantages of Opel Genuine Service to the internet.

Register now on MyOpel.ie and benefit from the following features:

- Up to 25% discount on parts and labour
- Free 25-point health check for every Service Club customer
- Maximise your Opel's performance – we'll remind you when your car is due for its annual service or NCT test
- Find the dealership nearest to you with our dealer locator
- Send online requests and get your appointments quick and easy

OPEL PROFESSIONAL MAINTENANCE

OPEL COMPETENCE

Opel specialists know your commercial vehicle better than anyone else and provide quick, convenient and expert service at a fair price.

- NCT and pre-NCT checks
- Service inspections
- Oil check
- Summer/Winter check
- Tyre change

OPEL ORIGINAL PARTS

ALWAYS YOUR BEST OPTION

Opel original parts are fully tested for function and safety, fit perfectly and are the most reliable parts available for your car.

- Opel original batteries are maintenance-free and carry a two-year warranty
- Opel original wiper blades minimise wind and noise and improve high-speed comfort
- Opel original brake discs are made for the best braking performance and shortest braking distances
- Opel original bumpers are crash tested and fit properly, so your vehicle retains its original look

ELECTRONIC VEHICLE HEALTH CHECK

GET YOUR PEACE OF MIND WITH OUR FREE VISUAL CHECK

We visually check 97 safety and reliability aspects of your car – in less than 15 minutes. You decide what is repaired and when. By proactively handling small repairs, you can avoid costly repairs later on.

- Free of charge
- Covers all main safety aspects
- Immediate feedback
- Report for your records

NAVIGATION MAP UPDATES

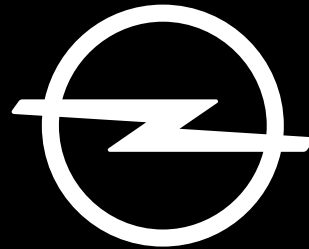

DRIVE SMARTER

Good navigation demands up-to-date maps. Opel navigation updates provide the latest maps and info with thousands of route updates – so you can reach your destination.

- Save time by driving efficiently
- Save money – on both fuel and vehicle maintenance
- Respect the environment – reduce fuel consumption and CO₂ emissions
