

COMMERCIAL VEHICLES

2018 MODELS EDITION 2

OPEL COMMERCIAL VEHICLES. BUILT FOR YOU AND YOUR BUSINESS.

The purchase of a commercial vehicle represents a significant investment. Its true value can be judged by how efficiently it works for you and your business. All Opel vehicles excel to meet the demands of operators and we go to extraordinary lengths to ensure that they also spend the maximum time where they work their hardest – on the road.

Some of the vehicles shown in this brochure include options and accessories available at extra cost. And not all of the features described are available on every model. So please check the Vehicle Price Guides available from your Opel dealer. Or log on to www.opel.ie for more information.

CORSAVAN. DRIVES LIKE A CAR, WORKS LIKE A VAN.

The Corsavan's sharp exterior projects a dynamic business image while its high-class ergonomic interior is packed with innovative features like touchscreen infotainment, Bluetooth® connectivity and heated windscreen, to make your daily drive more enjoyable.

Corsavan is powered by an impressive range of fuel efficient engines with active safety systems and six airbags fitted as standard. An impressive payload of up to 581 kg ensures it can deliver the goods too.

In every way, Corsavan is the perfect small van – that gives you more.

INTERIOR

The Corsavan features sharp and distinctive interior styling together with an in-cab environment designed for maximum comfort and durability.

Everything is well organised with a range of smart and handy storage ideas as well as features like electric windows, door mirrors and remote central deadlocking, with great infotainment that ensures you stay connected and well entertained.

*Please note that compatibility and certain functions may be different depending on the type of device and version of operating system you're using with the IntelliLink systems. To check compatibility go to www.apple.co.uk or www.android.co.uk. You may also incur additional costs from your operator for some services and as such we recommend that you check the data costs on your tariff. Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc. R 4.0 IntelliLink audio system and cruise control, illustrated right, are optional at extra cost.

1. Bluetooth® connectivity and digital radio. As well as a CD player and stereo radio, you can connect all the media on your smartphone using the aux-in socket, USB or Bluetooth® for hands-free connectivity and music streaming. DAB radio means a great choice of channels with easy tuning and crystal clear sound.

2. IntelliLink infotainment. Designed to work without a CD player, the optional IntelliLink system features a touchscreen interface with smartphone* projection that enables certain apps and features to display on the colour screen through Apple CarPlay™ or Android Auto™.

3. Banish winter blues. Ice and condensation melt away with the heated windscreen.

4. Storage spaces. Corsavan provides plenty of handy storage spaces, including a centre console with drink holder and large door pockets with specialised compartments for mobile phones and all those essential odds and ends.

Not all the features and options listed are available on every model. Please see the Corsavan Price and Specification Guide, available to download from opel.ie for further details.

Brilliant paint and upper load mesh restraint are optional at extra cost.

LOADSPACE

Designed for hard working businesses everywhere, Corsavan makes loading and unloading easy.

Access and loadspace features include:

- Low loading height
- Impressive 581kg payload capability
- Accommodating 1257mm load floor length
- Generous 0.92 cubic metres load capacity

Loadspace dimensions	mm	inches
Maximum load floor length	1257	49.5
Maximum load area width	1264	49.8
Width between wheel arches	969	38.1
Maximum load area height	921	36.2
Maximum rear door aperture height	650	25.6
Maximum rear door aperture width	771	30.3
Loading height (unladen)	532	20.9
Loadspace volumes (VDA method)	cu.m	cu.ft
Maximum loadspace volumes – Panel Van	0.92	32.5
Payloads	kg	
Maximum payload	581	

Please see the Corsavan Price and Specification Guide available to download from opel.ie for further details.

1. Load protection. A sturdy half-height steel bulkhead, tough sidewall half-height panelling and load restraint lashing eyes help protect against heavy, shifting loads. And an upper load restraint mesh and rubber floor mat (pictured above) are available as extra cost options.

2. Load area storage. A handy four-part load compartment cover is also available as an extra cost option.

POWER AND EFFICIENCY

Delivering impressive engine efficiency and driving agility, Corsavan comes with a range of Euro 6 compliant engines, including one petrol and two powerful turbo diesel units that add up to some serious cost-efficiency. Which means Corsavan makes absolute business sense whatever the requirement.

Driving agility

Of course Corsavan is a joy to drive too, with electrically powered steering and a totally redesigned chassis for a smooth, superior ride that makes the working day less stressful.

The speed-sensitive electric power steering system features City Mode – which boosts power assistance for easier parking and manoeuvrability. At the same time, suspension modifications optimise steering for a more responsive feel.

In addition, the Easytronic transmission is available with the Start/Stop diesel.

Advantages for business users include:

- Qualifies for Capital Allowances
- 5% Benefit-in-Kind if company vehicle
- VAT reclaimable up front
- Running costs and fuel Allowable Expenses

For complete technical data, fuel economy and emissions, please see the Corsavan Price and Specification Guide, available to download from opel.ie

Engine efficiency

Featuring a turbocharger design that achieves higher torque from lower revs, the turbo diesel engine with Start/Stop facility engine boasts impressive fuel economy and CO₂ emissions.

Easytronic transmission. Easytronic offers all the main features and flexibility of a regular automatic plus the performance and control of a ‘one-touch’ manual gearbox. Available as an extra cost option on standard Corsavan models.

Brilliant paint is optional at extra cost.

MOKKA X VAN

The good-looking and cost-effective alternative to more conventional company transport, Mokka X Van is the smart choice for any business.

Boasting 1.4 cu.m of loadspace and an impressive carrying capability of 434kg, it's certainly up to the job. Available in two trim levels each powered from an efficient turbo-diesel unit and matched with either a manual or automatic transmission. There's even a four-wheel drive variant too. Mokka X Van. Ready when you are.

*Please note that compatibility and certain functions may be different depending on the type of device and version of operating system you're using with the IntelliLink systems. To check compatibility go to apple.co.uk or android.co.uk. You may also incur additional costs from your operator for some services and as such we recommend that you check the data costs on your tariff.

**If your car is outside its Opel Roadside Assistance coverage period or policy terms, the AA may charge you for their services.

Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

19-inch alloy wheels and metallic paint are optional at extra cost.

Mokka X Van SC

Standard features include:

Infotainment

- Opel OnStar personal assistant with Wi-Fi, emergency and crash response, destination download*, smartphone vehicle diagnostics app, stolen vehicle alert and roadside assistance call-out**
- Radio 4.0 IntelliLink system with 7-inch colour touchscreen
- USB and aux-in connection for smartphone/MP3 music connectivity
- Apple CarPlay™ and Google Android Auto™ app projection
- Siri/Google Now voice command for phone, messaging, music, maps and calendar
- Bluetooth® phone, messaging and music streaming
- Steering wheel mounted audio controls for phone, music and cruise control

Interior/styling features

- Cruise control
- Steering column adjustable for reach and rake
- Dual-zone electronic climate control
- Front centre armrest
- Leather-covered steering wheel

Exterior/styling features

- Automatic lighting control
- Electrically adjustable/heated door mirrors
- Electrically operated front windows
- Remote control central locking
- Rain-sensitive windscreen wipers
- Front and rear parking distance sensors
- Electrically foldable door mirrors
- High beam assist
- Front fog lights
- 17-inch alloy wheels with 215/60 R 17 tyres

Mokka X Van Elite

Standard features over and above SC models include:

Infotainment

- Navi 900 IntelliLink satellite navigation system (embedded for use with OnStar)
- 8-inch colour touchscreen
- Voice command for audio and integrated navigation

Interior/styling features

- Leather-covered ergonomic sports front seats with extendable cushions
- Four-way electric lumbar adjustment
- Electrically heated front seats
- Electrically heated steering wheel

Exterior/styling features

- 18-inch multi-spoke alloy wheels with 215/55 R 18 tyres
- Alloy-effect door sill covers
- Chrome-effect side window trim

19-inch alloy wheels and metallic paint are optional at extra cost.

LOADSPACE AND EFFICIENCY

Mokka X Van. Working as hard as you in your every day to day business.

Access and loadspace features include:

- Low loading height
- Impressive 434kg payload capability
- Accommodating 1300mm load floor length
- Generous 1.4 cu.m load capacity

Advantages for business users include:

- Qualifies for Capital Allowances
- 5% Benefit-in-Kind if company vehicle
- VAT reclaimable up front
- Running costs and fuel Allowable Expenses

Loadspace dimensions	mm	inches
Maximum load floor length	1420	55.9
Maximum load area width	1220	48.0
Width between wheel arches	915	36.0
Maximum load area height	970	38.2
Maximum rear door aperture height	770	30.3
Maximum rear door aperture width	800	31.5
Loading height (unladen)	723	28.5
Loadspace volumes (VDA method)	cu.m	cu.ft
Maximum loadspace volumes – Panel Van	1.4	49.4
Payloads	kg	
Maximum payload	434	

Please see the Mokka X Van Price and Specification Guide, available to download from opel.ie for further details.

1. Load area. Open the tailgate and there's 1.4 cu.m of loadspace at your disposal thanks partly to the impressive 970mm internal height.

For complete technical data, fuel economy and emissions, please see the Mokka X Van Price and Specification Guide, available to download from opel.ie

ASTRA VAN

With its smart yet sporty styling, the new Astra Van looks better than a van should. And with a dynamic chassis it performs better than a van should too.

Combining supreme load space versatility and real world carrying capacity, it's a van that certainly delivers. Powered by an efficient turbo diesel unit and available in a choice of two trim levels, it's easy to see why the Astra Van makes total business sense.

*Please note that compatibility and certain functions may be different depending on the type of device and version of operating system you're using with the IntelliLink systems. To check compatibility go to www.apple.co.uk or www.android.co.uk. You may also incur additional costs from your operator for some services and as such we recommend that you check the data costs on your tariff. Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

**If your car is outside its Opel Roadside Assistance coverage period or policy terms, the AA may charge you for their services.

18-inch bi-colour alloy wheels and brilliant paint are optional at extra cost.

Loadspace volumes (VDA method)	cu.m	cu.ft
Maximum loadspace volumes – Panel Van	1.41	49.8
Payloads	kg	
Maximum payload	505	

1. Load area. Providing a completely flat inner load floor area that combines a maximum load length of 1550mm with a maximum width of 1350mm.

For complete technical data, fuel economy and emissions, please see the Astra Van Price and Specification Guide, available to download from opel.ie

Combo

COMBO. SOLID CAPABILITIES.

Want to give your business a lift? Then get yourself a vehicle that delivers a list of commercial firsts.

Available as a Standard and Sportive panel van and a versatile Crew van, the Combo from Opel can haul up to a tonne. In addition, not only does it have one of the longest and most spacious load areas in its class but it has the highest rear axle weight and the largest rear door opening; coupled with a useful, low rear loading height.

The Combo is also dependable and efficient to run. And with long wheelbase, high roof and Crew Van models available, it's as practical as ever. With capabilities such as these, one thing is certain: Combo can really help your business deliver.

INTERIOR

From the ergonomically designed fascia and fully adjustable driver's seat through to electric windows and air conditioning, the Combo range is simply packed with features designed to make the driver's day more comfortable.

Options like cruise control, rear parking distance sensors and electronic climate control further enhance driver well-being. The result: a mobile working environment you really won't mind spending time in.

Sportive model illustrated.

1. Clean design. Combo's fascia is clearly and simply laid out, with controls easy to reach and just as easy to operate. Switchgear is logical and the high-mounted driver's seat provides an excellent all-round view of the road.

2. Room for five. The Glazed Crew Van model provides five-seater capacity for many different working uses.

3, 4. Practical storage features. Combo is full of practical storage features to assist with keeping the cabin safe and tidy, such as a recessed storage facility in the upper fascia, lockable glovebox and door pockets.

Not all the features and options listed are available on every model. Please see the Combo Price and Specification Guide available to download at opel.ie for further details.

Brilliant paint is optional at extra cost.

LOADSPACE

At a massive 3.4 cu.m for the standard wheelbase version, there's no mistaking Combo's cavernous load area.

Access and loadspace features* include:

- Accommodates up to two Euro pallets – L2 models
- Low rear sill height assists loading and unloading
- Choice of side loading door options increases convenience
- Glazed Crew Van models available for increased versatility

Loadspace dimensions	mm	inches
Maximum load floor lengths – Panel Van	1820 – 2170	71.7 – 85.4
Maximum load floor lengths – Crew Van	991 – 1750	39.0 – 68.9
Maximum load area width	1714	67.5
Width between wheel arches	1230	48.4
Maximum load area heights	1305 – 1550	51.4 – 61.0
Maximum rear door aperture heights	1250 – 1455	49.2 – 57.2
Maximum rear door aperture width	1231	48.5
Loading height (unladen)	545	21.4
Sliding side-access door aperture height	1175	46.2
Sliding side-access door aperture width	700	27.5
Loadspace volumes (VDA method)	cu.m	cu.ft
Maximum loadspace volumes – Panel Van	3.4 – 5.0	121 – 177
Maximum loadspace volumes – Crew Van	0.8 – 1.9	28.2 – 67.1
Payloads	kg	
Maximum payload	740 – 1018	

*Not all options are available on every model. Please see the Combo Price and Specification Guide, available to download from opel.ie for further details.

1. Load up. Open the rear doors and you're looking at a record holder. Quite simply, the Combo has the biggest payload in its class. It also boasts one of the longest and most spacious cargo areas plus a low rear loading height, so there's less risk of straining your back while working.

2. Instant access. Combo is big on convenience. Offside and nearside sliding side-access doors are fitted to all long wheelbase models; a nearside sliding side-access door is also standard on short wheelbase Sportive models.

POWER AND EFFICIENCY

Combo doesn't only ride and handle like a dream; it also performs with remarkable verve for what is, to all intents and purposes, a working vehicle. Drivers can select from three powerful yet efficient Euro 6 compliant turbo-diesel engines, all designed for optimum ease of serviceability and low running costs.

More great features:

- Service intervals up to 30,000km/two-year*
- Three-year/150,000km manufacturer's warranty and 12 year body panel anti-perforation warranty
- Start/Stop facility with certain engines

For complete technical data, fuel economy and emissions, please see the Combo Van Price and Specification Guide, available to download from opel.ie

*Or oil-life quality monitor warning whichever is the sooner.

Metallic paint is optional at extra cost.

VIVARO. BUILT TO TAKE IT ALL.

The Vivaro was designed to improve performance in every way. In Panel Van, Doublecab, plus a range of Combi models, available as Standard, Sportive and Limited Edition Nav models*, the Vivaro seizes the mantle of its illustrious predecessor and moves the game on – big time!

With bold styling, ultra-efficient engines and in-cab connectivity that turns the working environment into a mobile office – Vivaro is built to the toughest standards so it's robust enough to take everything you can throw at it, and in it.

*For full model availability please see the Vivaro Price and Specification Guide, available to download from opel.ie

BUILT TO WORK HARDER

Well-equipped with a host of convenience features, Vivaro is built to work harder with intelligent cab design and is loaded with clever but practical ideas that help get the job done.

Metallic paint is optional at extra cost.

INTERIOR

The Vivaro interior, a great place to be all day long. A well-designed driving environment means you sit comfortably with everything you need right at your fingertips. Then there's an infotainment system, which means you're well connected and have all your entertainment at hand. On top of all that, the Vivaro is great to drive too.

1. NAVI 50 IntelliLink. Specifically tailored to the cab environment, the NAVI 50 IntelliLink unit provides drivers with an accurate and affordable navigation option with map coverage for Western or Eastern Europe with Traffic Message Channel (TMC). Key features include a 7-inch colour touchscreen, Bluetooth® connectivity, steering wheel mounted controls and MP3/WMA playback from USB and Bluetooth® audio streaming. When connected to an Apple iPhone Navi 50 also supports Siri voice control and displays information about the music you are playing. Standard on Vivaro Limited Edition Nav models, optional at extra cost on all other models.

2. NAVI 80 IntelliLink. The intuitive, top-of-the-range system with 3-D viewing, integrated voice control, USB video player/photo reader and TomTom LIVE services till 2020 without charge for real-time traffic information. The 7-inch display also shows the view for the optional rear-view camera.

3. R 16 BT USB. The entry-level system offers exceptional functionality featuring Bluetooth® and USB connectivity as well as digital radio as standard.

4. Smartphone docking station. This optional feature allows smartphones of up to a 4.7-inch screen size to be securely mounted within easy sight and perfect reach. Power is taken from the upper USB socket on the fascia.

5. Tablet docking station. Compatible with the R 16 BT USB, this facility allows tablets between 4.8 and 10.6 inches to be securely fixed in place for ease of use.

Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide available to download at opel.ie for further details.

INTERIOR

Vivaro's interior reflects Opel's understanding of the challenges faced by van operators in their daily working lives. Comfort and control levels are optimised right across the cab, along with infotainment connectivity and superb levels of safety and security that are so important to any business.

Premium quality materials are used throughout for appearance, durability and owner appeal. Finally the interior ergonomics across the van, enhance the interface between driver and vehicle.

Fold-flat centre front passenger seat. The centre section of the fold-flat front passenger seat features a handy clipboard holder which can be removed when necessary, leaving a solid and flat surface. The unit also flips forward to create a lidded work surface, with hidden, secure storage for work paraphernalia – along with an additional drinks holder. The folding process takes just seconds. Standard on Sportive and Limited Edition Nav, optional on Standard Panel Van models.

1. Wide-angle blind spot mirror. Located in the passenger sunvisor, it provides additional visibility.

2. The Vivaro facia features nine storage spaces, providing more than 24 litres of storage volume in total. Highlights include a large, usable glovebox, upper facia storage, three drinks holders and a handy driver's storage pocket.

3. The clipboard itself can be securely fastened in two positions, easily visible to either the driver or passenger. It's suitable for documents up to A4 in size, including contracts, invoices and general day-to-day paperwork.

4. Generous door pockets provide useful stowage space for maps, documents and other essential workday items.

Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide available to download from opel.ie for further details.

Limited Edition

VIVARO

Offside sliding side-access door, optional at extra cost.

PANEL VAN

Versatility and flexibility in equal measure. Whatever you need, the Vivaro has it all.

Access and loadspace features* include:

- Choice of two wheelbases and roof heights
- Easy-access, 1m-wide nearside sliding side-loading door
- Full-height steel bulkhead
- Unglazed rear doors (90/165° opening)
- Illuminated load area
- 12-volt electrical accessory socket in load area

Loadspace dimensions	mm	inches
Maximum load floor length	2537 – 2937	99.9 – 115.6
Maximum load floor length with load-through facility to seat**	2967 – 3367	116.8 – 132.5
Maximum load floor length with load-through facility to front footwell**	3750 – 4150	147.6 – 163.4
Maximum load area width	1662	65.5
Width between wheel arches	1268	49.9
Maximum load area height – H1	1387	54.6
Maximum load area height – H2	1898	74.7
Maximum rear door aperture height – H1	1320	52.0

Sliding side-access door aperture width	1030	40.5
Loadspace volumes	cu.m	cu.ft
Maximum loadspace volumes (VDA method)	5.2 – 8.6	183.6 – 303.7
Payloads	kg	
Payload	1017 – 1265	

*Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide, available to download from opel.ie for further details.

**Approximate. Front passenger outer seat cannot be used when the FlexCargo load-through facility to footwell is in operation.

1. Euro-pallet friendly. Specifically designed to carry Euro-pallets, Vivaro can accommodate up to three pallets, even on L1 models. Assisted by easy side access, the generous 1.2m width between the rear wheel arches also makes the van suitable for carrying wide loads such as 8ft. x 4ft. plywood sheets.

2. Flexible loadspace. Standard on Sportive and Limited Edition Nav, optional on standard Panel Van models, the FlexCargo bulkhead allows loads of up to 4150mm in length to be accommodated with ease.

Sportive appearance package is optional at extra cost.

DOUBLECAB

The Doublecab matches practical and comfortable crew transport to excellent loadspace and payload.

Access and loadspace features* include:

- Choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Up to 4.0 cu.m (141.3cu.ft.) maximum loadspace volume
- High-strength ABS plastic bulkhead with window
- Half-height sidewall trim with storage pocket
- Three-passenger rear bench seat

Loadspace dimensions	mm	inches
Maximum load floor length at load floor	2023 – 2423	79.6 – 95.4
Maximum load floor length behind rear seats	1340 – 1740	42.7 – 68.5
Maximum load area width	1662	65.5
Width between wheel arches	1268	49.9
Maximum load area height	1387	54.6
Maximum rear door aperture height	1320	52.0
Rear door aperture width (at floor)	1391	54.8
Loading height (unladen)	552	21.7
Sliding side-access door aperture height	1284	50.5
Sliding side-access door aperture width	1030	40.5
Loadspace volumes	cu.m	cu.ft
Maximum loadspace volumes (VDA method)	3.2 – 4.0	113.0 – 141.3
Payloads	kg	
Payload	919 – 1025	

*Not all the features and options listed are available on every model. Please see the Vivaro Price and Specification Guide, available to download from opel.ie for further details.

1. Twin sliding side-access doors. The extra-wide door opening ensures easy passenger access while the individually-contoured rear bench seat accommodates up to three passengers in complete comfort with excellent leg room and raked rear seat backs.

2. and 3. Loads of loadspace. There's instant access to underseat storage in the passenger section, plus up to 4.0 cu.m of usable loadspace.

COMBI.

Combi is ideal for all kinds of day-to-day passenger transport, from staff and club members, to construction crews and taxi customers. Made for practical working days, it comes with plenty of space for kit, tools and luggage, with flexible, accessible seating so everyone's comfortable.

- Nine-seat configuration with choice of two wheelbases
- Twin sliding side-access doors with fixed windows
- Three-passenger second and third-row bench seats
- 60/40 split-folding seat back for second-row bench seat
- Fold and tumble facility for third-row bench seat
- Removable second and third-row bench seats
- Inertia-reel lap and diagonal seatbelts for all seats
- Glazed tailgate with heated rear window and wash/wipe facility
- Rubber floor covering
- Half-height sidewall trim
- Load restraint lashing eyes for load area

Not all features and options are available on every model. Please refer to the Vivaro Price and Specification guide, available to download from opel.ie

1. Second-row split-folding rear seat. The easy-to-operate split-folding seat back allows convenient access for third-row passengers.

2. Nine-seater comfort. Combi offers comfortable seating for up to eight passengers.

3. and 4. Additional comfort. Optional rear air conditioning controls and a separate rear heater are also available for Combi.

Metallic paint is optional at extra cost.

COMBI+.

When you need to arrive in style, the Combi+ adds a touch of elegance making it ideal for more formal settings and occasions where a smart impression is important – for example, private hire companies, hotel and airport shuttles, and corporate travel.

Standard features over and above Combi include:

- Air conditioning for cab and saloon
- Chilled glovebox facility
- Auxiliary heater
- Selective door locking with two three-button keys and integral remote
- One-touch facility for electrically operated windows
- Cruise control with speed limiter
- Leather-covered steering wheel
- Dark-tinted rear glazing
- Front fog lights
- Body-colour bumper
- Twin sliding side-access doors with sliding windows
- Black Connect embossed cloth seat trim
- Dual front passengers' seat with underseat storage
- Full-height interior trim
- Full-diameter wheel trims

Not all features and options are available on every model.
Please refer to the Vivaro Price and Specification guide, available
to download from opel.ie

1. Interior comfort. For a more premium look and feel, Combi+ seats feature embossed cloth trim with fully-trimmed interior door panels and full height side wall trim.

2. Second sliding door. It's so much easier for people to access the second and third seat rows with a second sliding door – your passengers will thank you for it.

3. and 4. Air conditioning. Keep your passengers comfortable and reduce condensation with the Combi+'s air conditioning system.

WE MEAN
BUSINESS

Metallic paint is optional at extra cost.

TOURER ELITE.

Designed for the perfect arrival, the Vivaro Tourer Elite is an ideal choice for large modern families and executive travellers, being designed with VIPs in mind (whether they're your children or your company board!).

Tourer Elite standard features include:

- Electronic climate control (ECC)
 - ECC front (first-row) and air conditioning rear (second-/third-rows)
- Chilled glovebox facility
- Auxiliary heater
- Automatic lighting control
- Rain-sensitive windscreen wipers
- Six airbags
- Leather seat trim with heated front seats
- Single front passenger's seat
- Navi 50 IntelliLink infotainment system
- FlexDock for smartphone
- Two adjustable, swivel chairs in second-row
- Three passenger third-row bench seat
- LED daytime running lights
- Rear-view camera
- Rear parking distance sensors
- 17-inch silver alloy wheels with 215/60 R 17 tyres

Not all features and options are available on every model.
Please refer to the Vivaro Price and Specification guide, available to download from opel.ie

1. Swivelling rear seats. Tourer Elite's seating works on a floor rail system, so that seats can be easily moved and secured, and also swivelled to face each other for more social travelling arrangements.

2. Folding table. Available as an aftersales accessory the table slides out on rails and easily unfolds, to complement the rear seating arrangements (table can be slid and stowed away after use).

3. LED ceiling lighting. Energy efficient LED ceiling lights illuminate the cabin for passengers.

4. Electronic climate control. Keep your VIP passengers relaxed and comfortable with the EEC and air conditioning.

POWER AND EFFICIENCY

Delivering more power combined with lower emissions and impressive fuel economy, Vivaro's smaller displacement – but no less efficient – Turbo and BiTurbo diesel engines deliver the perfect mix of day-to-day performance and competitive fuel consumption. At the same time, our latest ECO system technology – allied to our proven Start/Stop functionality – ensures operating costs are held firmly in check.

BiTurbo engines

- Frugal, sequential twin-turbo system
- Lag-free acceleration at any speed
- Start/Stop technology

Quiet, clean and efficient diesel engines

- Variable-displacement oil pumps reduce fuel consumption
- Low-maintenance chain-driven camshafts
- Multi-point fuel injection for low emissions and high performance
- Optimised thermal management increases efficiency
- Service intervals up to 40,000km/two-years (whichever occurs sooner)
- Three-year/150,000km manufacturer's warranty and 12-year body panel anti-perforation warranty

For complete technical data, fuel economy and emissions, please see the Vivaro Price and Specification Guide, available to download from opel.ie

MOVANO. NO JOB TOO BIG.

Big. Strong. And Versatile. That's Movano. With an extensive range of models that give you more of what you need from a commercial vehicle. Three load lengths. Large load volumes. High gross combination weights. Plus a choice of front-wheel drive, single rear-wheel drive or twin rear-wheel drive variants.

Add to this powerful, efficient engines. A cabin environment with plenty of useful storage, plus a host of innovative features that can really make a difference when you're out on the road.

In short, there's 'No Job Too Big' for Movano.

INTERIOR

Movano raises the bar on cabin design, creating a practical, well-equipped driver environment. With a height-adjustable steering wheel and a driver's seat that's adjustable for height, cushion angle, reach and rake, it's one workspace you won't mind spending time in.

Outstanding ergonomics – allied to high levels of equipment (including an excellent audio package that includes Bluetooth® connectivity and USB facility as standard), maximum ease of access and a superb driving position – come together to create the right travelling and working experience, whatever job you're undertaking.

Model illustrated right features Convenience Pack and bulkhead window optional at extra cost.

- 1. Mobile office capability.** The Convenience Pack options help transform the cab into a state-of-the-art, full-on mobile office.
- 2. Bluetooth® connectivity.** Virtually universal in compatibility and enables hands-free mobile phone communication.
- 3. Ample storage.** There's a handy shelf above both driver and passenger as well as an 11-litre passenger glovebox and a semi-covered tray on top of the dashboard.

Not all the features and options listed are available on every model. Please see the Movano Price and Specification Guide for details.

Metallic paint is optional at extra cost.

PANEL VAN

Maximum payload and usable loadspace are an absolute must have in this class of van. Movano boasts serious flexibility to match the van's capacity to your exact business needs, whatever the requirement.

Access and loadspace features* include:

- Full-height steel bulkhead
- Half-height load area protection panels – RWD models
- Floor-mounted load lashing eyes
- Unglazed rear doors (90/180° opening)
- Wide opening side and rear doors
- Choice of three wheelbases

Loadspace dimensions	mm	inches
Maximum load floor length	3083 – 4383	121.4 – 172.6
Maximum load area width	1765	69.5
Width between wheel arches	1080 – 1380	42.5 – 54.3
Maximum load area height	1798 – 2144	70.8 – 84.4
Maximum rear door aperture height	1724 – 1820	67.9 – 71.7
Rear door aperture width (at floor)	1577	62.1
Loading height (unladen)	557 – 724	21.9 – 28.5
Sliding side-access door aperture height	1684 – 1780	66.3 – 70.1
Sliding side-access door aperture width	1270	50.0
Loadspace volumes	cu.m	cu.ft
Maximum loadspace volumes (VDA method)	9.4 – 14.1	322 – 498
Payloads	kg	
Maximum payload	990 – 2110	

*Not all the features and options listed are available on every model. Please see the Movano Price and Specification Guide, available to download from opel.ie for further details.

1. Versatile rear doors. Movano rear doors can be swung clear to 180° and locked in place at 90° – providing safe and convenient loading, even where space is restricted.

2. Swallows Euro pallets. The wider opening, standard 1270mm sliding side-access door means a Euro pallet can now be loaded sideways.

Brilliant paint is optional at extra cost.

POWER AND EFFICIENCY

The Movano range features powerful, yet efficient turbo diesel engines that meet either VI or Euro 6 standards through the use of AdBlue technology*. Better still, the high power and torque levels of our BiTurbo models make driving the Movano a pleasure – whatever the load on board.

Powerful turbo-diesel engines

- Choice of turbo diesel or BiTurbo units
- Six-speed manual gearbox with electronic shift indicator
- Power-assisted steering
- Tecshift semi-automatic transmission available

Efficiency comes as standard

- AdBlue technology for Euro 6 compatibility
- Start/Stop technology and ECO mode function improves fuel economy
- Outstanding durability with servicing intervals up to 40,000 kilometres/one year (32,000 kilometres on Minibus models)

Options include:

- Automatic locking rear differential
- Engine-driven power take-off
- Gearbox-driven power take-off
- Cruise control

For complete information on technical data, fuel economy and emission data please refer to the Movano Price and Specification guide available to download from www.opel.ie

*For more information on AdBlue please visit opel.ie

MOVANO FLEXIBILITY.

Chassis cab and crew cab models provide the perfect base for one of three factory-built conversions – tipper, dropside, box van or our extensive range of approved conversions.

DOUBLECAB.

With capacity for up to seven people, a 3.5 tonne GVW and a maximum payload of up to 1305kg, the Movano Doublecab is designed to take your crew and equipment exactly where they need to be.

- Room for up to six passengers
- Up to 9.0cu.m (318cu.ft.) max. loadspace volume
- Up to 2640mm (103.9 in.) loadspace length
- Up to 1305kg payload capacity

CHASSIS CAB.

Movano chassis cab models feature rugged box section chassis rails, featuring wide top sections with built-in mounting points. The bolted rear under-run bar provides additional in-built safety, as well as ample margins for additional bodywork while retaining outstanding payloads.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive

Vehicle illustrated features glazed rear doors, full-diameter wheel trims, front fog lights and Poppy Red brilliant point all optional at extra cost.

1. Room for all the crew. The Doublecab features four individually contoured rear seats with lap and diagonal seatbelts. Rear storage includes a full-length tray under the seat cushion.

Brilliant point is optional at extra cost.

CREW CAB.

Providing the same choice of body configurations and GVWs as the chassis cab but extra accommodation for four additional crew members.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive

PLATFORM CAB.

Ideal for those conversions requiring a low floor and walk-through access from the cab. The interface panel makes for easy integration of the cab with the conversion body, while an extended-length wiring loom is available to power the rear lights or extended conversions.

- Two load lengths (L2, L3)
- One GVW (3500kg)
- Two roof heights (H1, H2)
- Front-wheel drive

2. Practical and safety-conscious. Whether you're travelling one-up or seven-up, crew cab pays serious attention to the needs of driver and crew. Fabrics are hard-wearing and easy to clean, comfort levels high and safety features impressive; in fact everything you'd expect of this award-winning model.

3. Underseat storage. Storage is never an issue with our out-of-sight, out-of-mind underseat storage facility.

Vehicle illustrated features Halo Silver two-coat metallic paint, optional at extra cost.

OPEL CONVERSIONS.

With chassis cabs, crew cabs, cabs and purpose-built factory conversions available, Movano is big on choice. It's incredibly versatile, too, with front-wheel drive, rear-wheel drive and heavy-duty twin rear-wheel drive options available. Of course, all Movano factory conversions carry the full Opel three-year/150,000km warranty on both the chassis and the conversion.

Models illustrated left to right: L4 H1 R3500 RWD HD box van with optional wind deflector, L4 H1 3500 RWD HD crew cab dropside and L2 H1 R3500 RWD HD tipper.

OPTIONS

Our options and option packs allow you to tailor your equipment package to suit the individual demands of your business. Please see the Commercial Vehicle Price and Specification Guides for full details of option availability and prices for each model.

Other individual options* include:

Loadspace

- Window for bulkhead
- Offside sliding side-access door

Safety and security

- Additional airbags
- Security alarm

Mechanical

- Engine- or gearbox-driven PTO
- Tow bar
- Digital tachograph

Facia instruments and controls

- Cruise control
- Satellite navigation system

Interior

- Air conditioning
- Electronic Climate Control

Seating

- Vinyl seat trim
- Comfort driver's seat
- Air-suspended driver's seat

Combo ladder carrier.** Fit these optional bars in your Panel Van and you can fix a foldable ladder out of sight under the roof where it won't get in the way of your other gear.

Combo load flap.** The optional load flap is ideal for accommodating extra-long or tall items. Simply unfasten the latch located underneath the flap and the rear section opens, up to an angle of 46°. This provides a handy 916mm x 503mm aperture.

**Not available on Crew Van models.

Vivaro load area protection.

A range of options are available to help protect loads and safeguard the interior:

- Resin-coated laminate plywood load floor covering
- Full-height lightweight plastic honeycomb load lining panels
- Resin-coated laminate plywood wheel arch protection

Vivaro rear door options:

- Glazed rear doors, 90/165° opening
- Unglazed rear doors, 270° opening (L2 H1 models only)
- Glazed tailgate (not available on H2 models)
- Glazed rear doors mandate glazed bulkhead

Navi 80 IntelliLink. The intuitive, top-of-the-range system with 3-D viewing, integrated voice control, USB video player/ photo reader and TomTom LIVE services till 2020 without charge for real-time traffic information. The separate overhead 7-inch display also shows the view for the optional rear-view camera (not illustrated).

Full-height load area panelling.

Plywood panels provide maximum loadspace protection on Movano models.

*Not all the options listed are available on every model. Please see the relevant Commercial Vehicle Price and Specification Guides for details.

Combo load area protection. Load area protection panels are shaped to fit over the floor and side panels to protect the load area.

Combo roof rack tray. Ensures all items carried on the roof are kept safe and secure. Features a load roller to assist in loading heavy and/or long items.

Vivaro interior roof rack. Utilises the normally unused space under the vehicle roof to enable the loading of bulky items safely inside the load area.

Vivaro roof carrier system. The base accessory roof carrier system can be fitted with a steel roof rack complete with loading roller. A steel loading ladder and roof walkway are also available.

Rear window protection grilles. Constructed from 1mm thick epoxy coated steel, the rear window protection grilles help avoid theft while retaining rearward visibility.

Trailer hook. Particularly suited to heavier loads, the trailer hook is finished in an anti-corrosive epoxy powder treatment.

ACCESSORIES

Opel accessories are all about choice – selecting your van then personalising it to suit the way you work. We offer a huge range of dealer-fit accessories, all designed to the same exacting standards as the vehicle itself. For further information please speak to your Opel Commercial Vehicle dealer.

Other accessories* include:

Protection

- Floor mats – carpet and rubber

Safety

- Safety Pack
- Rear parking distance sensors

Practical

- Mudflaps
- Fire extinguisher (1kg or 2kg)
- Temporary tyre inflation kit

Towing

- Fixed tow bar
- Towing electrics (7-pin or 13-pin)
- Towing electrical adaptors (7/13-pin or 13/7-pin or 12S adaptor)

*Not all the options listed are available on every model. Please see the relevant Commercial Vehicle Price and Specification Guides for details.

COLOURS* AND TRIMS

Opel Commercial Vehicles are available in a wide range of colours, including the latest metallics, matched to a variety of hard wearing trims, so you're sure to find a combination that best suits you and your business. Not all colours may be available, please check with your Opel dealer for more information.

††Grey Vinyl trim is optional at extra cost on Movano models.

Opel Service.

Commercial vehicle dealer network.

A network of nationwide Opel Ireland commercial vehicle dealers, including dedicated heavy van specialists responsible for Vivaro and Movano, offer sales support and the expert service and maintenance know how to keep your business moving.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.

3-year/150,000km. This warranty applies to any new Opel commercial vehicle for a period of 3 years or 150,000km (whichever occurs sooner) from the day on which it was either registered for the first time or delivered to the customer by the dealer, depending on which date comes first.

Opel Roadside Assistance.

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of

onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.ie you can access a wealth of information on all Opel commercial vehicles, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie
