

THE NEW VIVARO

THE NEW STANDARD.

The Vivaro has been designed from the ground-up to become the most competitive commercial vehicle in its segment. Enjoy a highly flexible load space, class-leading payload, mobile office functionality and various connectivity features – all in the name of driving your business forward.

- 1** The Vivaro marries striking Opel design with German engineering precision.
- 2** The new Vivaro possesses superior, car-like driving behaviour, plus state-of-the-art technology rarely found in commercial vehicles.
- 3** Highly efficient engines and transmissions ensure class-leading cost of ownership.
- 4** Choose the right Vivaro for your business needs.
- 5** Tailor your space with different body lengths. Total height of sub-1,9 m for unrestricted access.
- 6** Create a mobile office space with an adjustable office table and smartphone/tablet holders.
- 7** Enjoy an impressively useful maximum load volume of up to 6,6 m and a payload of up to 1.400 kg.
- 8** Driver assistance systems like Automatic Cruise Control*, Traffic Sign Recognition* and Automatic Emergency Braking* provide superior driving control and safety.

DESIGN WITH PURPOSE.

The Vivaro has been gifted with the best of Opel design – so as well as looking sharp, its exterior design comes with purpose. For instance, sensors give hands-free access* to the side doors for those moments you have your hands full.

Electric sliding doors* give a wide and comfortable opening into the rear for passengers and cargo, and the Vivaro's sub-1,9-m height ensures safe access to underground car parks.

Optional, standard or not available according to trim chosen.

COMPACT AND AGILE.

	Small	Medium	Large
LOAD AREA DIMENSIONS (mm)			
Max. floor load length (without FlexCargo®)	2.162	2.512	2.862
Max. floor load length (with FlexCargo®)	3.324	3.674	4.024
Mid-height load length	1.835	2.185	2.535
Load floor width between wheel arches	1.258	1.258	1.258
Max. load width	1.636	1.636	1.636
Max. load height	1.397	1.397	1.397
LOADING VOLUME (m³)			
Commercial volume without FlexCargo®	4,6	5,3	6,1
Commercial volume with FlexCargo®	5,1	5,8	6,6
Number of euro-pallets	2	3	3
REAR OPENING DIMENSIONS (mm)			
Min. threshold height	545	544	600
Max. threshold height	626	613	633
Max. opening width	1.282	1.282	1.282
Rear doors opening height	1.220	1.220	1.220
SLIDING DOOR OPENING DIMENSIONS (mm)			
Max. opening width	745	935	935
Sliding side door opening height	1.238	1.241	1.241
MANOEUVRABILITY (m)			
Turning circle between kerbs	11,3	12,4	12,4
Turning circle between walls	11,8	12,9	12,9

Available in 3 sizes of body length – Small, Medium and Large – the new Vivaro perfectly adapts to your business needs, each variant offering a balance between relatively compact exterior dimensions and a spacious, flexible interior. The Small version in particular, at just 4,60 m in length, is perfectly agile in tight city streets and urban areas where space is limited. This variant can load 2 euro-pallets, while the Medium version can comfortably carry 3 euro-pallets.

CLEVER PACKAGING.

Despite its relatively compact exterior dimensions, the Vivaro's clever interior packaging and innovative FlexCargo® passenger bench* create a highly competitive load volume (up to 6,6 m) and load length (up to 4 m).

Payload: cut down on journeys by carrying more each time, thanks to the Vivaro's generous maximum payload of 1.400 kg.

FlexCargo® load-through function*: seat 3 comfortably up front or fold up the outer front passenger seat and use the partition wall flap to maximize the Vivaro's continuous, flat loading area when carrying longer cargo.

Cabin: fold the base of the outer front passenger seat up against the seat back to load bulky cargo such as large boxes into the front of the van.¹

EVERYTHING YOU NEED.

Thanks to its clever interior packaging, the Vivaro Combi can comfortably seat up to 9 people. Tinted rear windows, dual sliding doors and flexible seating configurations* make it the ideal taxi or agile people mover for your team. In the front, choose from an individual passenger seat or bench for 2. In the second row, choose a 3-seater bench* or 2-seater bench with individual folding third seat*. In the third row, again choose a 3-seater bench* or maximise flexibility with an individual third seat¹ for loading longer items alongside several passengers.

* Optional, standard or not available according to trim chosen.

5-seater with 2 single seats in the front and 2-seater bench and 1 single seat in the second row.

6-seater with 1 single seat and 2-seater bench in the front and in the second row.

8-seater with 2 single seats in the front, 2-seater bench and 1 single seat in the second and third row.

8-seater with 2 single seats in the front, 2-seater bench and 1 single seat in the second and third row, pulled down.

YOUR OFFICE ON THE GO.

Whatever the nature of your business, having the ability to turn your van into a mobile office is essential. The Vivaro offers an adjustable office table*, a smartphone/tablet holder* and a variety of other practical storage solutions throughout the cabin and dashboard, so that every object has its own place, keeping you organised and your business on track – day in, day out.

Passenger bench with integrated storage*: enjoy additional storage volume underneath the passenger bench¹ cushions, so you can stow work equipment and other valuable objects up to a volume of 60 litres.

Dashboard storage: lots of smaller items to stow? With open storage boxes in the dashboard and a glove box with cooling function, the Vivaro has you covered.

Door pockets: wells in the pockets of the driver's and front passenger door are perfect for holding large items like 1,5-l bottles.

SEATS TO RELAX IN.

Enjoy a high degree of comfort in the Vivaro's spacious cabin, with seats designed for perfect ergonomic support even across the longest of journeys and available in a variety of attractive trims. Heated seats* in the front row are there to keep you warm when the weather gets cold.

1 Curitiba Triton, Grey fabric/Carla, Black vinyl seats*

2 Curitiba Monotone, Light Grey fabric seats*

3 Carla, Black full-vinyl seats*

4 Curitiba Triton, Grey fabric seats*

Optional, standard or not available according to trim and bodytype chosen.

CLASS-LEADING INNOVATION.

Stay connected on the road with smart technology and feel safe with driver assistance security systems.

Navigation system*: the navigation system includes an impressive 7" touch screen² and 3-D navigation to keep you on track during everyday drives or longer hauls.

Head-up Display*: unique in the segment to the Vivaro, see vital info such as speed and cruise control* data projected in the driver's line of sight on the Head-up Display.

YOU'RE IN GOOD HANDS.

Speed Limit Adaptation*: uses Speed Sign Recognition to analyse changes in the speed limit. With one push of the memory button, allow cruise control to adjust your speed accordingly.

Smart Beam*: switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

Driver Drowsiness Alert*: analyses your driving patterns via the front camera and steering wheel movements to let you know when it's time to take a quick break.

Lane Departure Warning*: recognizes when the Vivaro is drifting lanes and alerts the driver via audio and visual cue.

Automatic Emergency Braking*: takes action to avoid an accident, applying the brakes automatically in case of potential collision.

Forward Collision Alert*: scans the road ahead to alert the driver to the potential for a collision with vehicles or pedestrians. Additionally, the **Automatic Cruise Control*** lowers your speed to maintain a set distance to the car ahead in traffic scenarios and restores your previous speed when the road clears.

ENGINEERED TO HELP YOU OUT.

Side Blind Spot Alert*: uses sensors and a visual projection on the wing mirror, alerting the driver to vehicles in the Vivaro's blind spot to prevent accidents in overtaking situations.

Hill Climb Assist*: keeps the car from rolling backwards when stopped on an incline and holds the brake for you while you switch from the brake pedal to the gas pedal. Once you operate the accelerator, it releases the brake.

CHALLENGING SURFACES WELCOME.

4x4 conversion¹: choose the Dangel 4x4 conversion for highly capable mobility on challenging road surfaces or even rugged off-road terrain. Additionally a 4x2 conversion is also available from Dangel.

IntelliGrip^{*}: the Vivaro's IntelliGrip system, including special construction site tyres, provides extra levels of traction on difficult surfaces such as mud, sand or snow.

With the Vivaro's Worksite Pack, suspension is raised by 25 mm for those occasions when extra ground clearance is required. Also included are an increased payload and an under-engine cover plate to prevent damage from rough surfaces. In bad weather and on challenging surfaces, IntelliGrip^{*} or 4x4 conversion¹ provide even greater grip.

Fuel consumption: go further on a single tank with the Vivaro's range of powerful yet frugal engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.
