

# ZAFIRA LIFE

#### YOUR LOUNGE ON WHEELS.

Get comfortable in the luxurious surroundings of the Zafira Life, your lounge on wheels for family or business, packed with innovation, safety features and thoughtful touches like face-to-face seating. Designed with German precision to match every step of your adventurous lifestyle, and gifted with a high degree of flexibility to guarantee it always gets the job done, the Zafira Life is made for those who demand more. Move up to 9 people in total relaxation with a host of smart technologies at your fingertips.

# DEMAND MORE, GO FURTHER.

**1. TRUE OPEL DESIGN:** in the Zafira Life, German safety and efficiency meets the highest standards of Opel engineering and design precision. The result? A multi-purpose family car which is completely true and exceeds expectations at every turn.

**2. SIZES AND DIMENSIONS:** choose your Zafira Life in one of 3 different sizes, each cleverly packaged to maximize interior space. A height of sub-1,90 m<sup>1</sup> makes accessibility easy.

**3. MAJOR FLEXIBILITY:** available with up to 9 seats, the Zafira Life can be configured to fit your precise demands. Seats in the second and third rows slide forward or backward to increase legroom and flexibility. Second-row seats can be easily configured for face-to-face travel.

**4. A SMOOTHER RIDE:** don't let its size deceive – the Zafira Life's handling is agile and dynamic, with a range of engines and gearboxes designed for the kind of smooth, efficient drive you'd expect from an Opel.

**5. PANORAMIC ROOF AND MASSAGE SEATS:** let the light in and transform the cabin ambience with the panoramic roof\*. Heated front seats\* with massage function\* do the trick when the weather gets cold.

**6. DRIVER ASSISTANCE INNOVATION:** a range of advanced assistance technologies, from Speed Limit Adaptation\* and Smart Beam\* to 180° Panoramic Rear View Camera\*, makes life simple and keeps your day on track.

\*Available as an option, standard equipment or not available, dependent on model.

# NO NEED TO COMPROMISE.

Sometimes a little extra space makes all the difference. Choose the Zafira Life in one of 3 lengths – Small (S), Medium (M) or Large (L) – according to your needs. At just 4,60 m in length, the Small version is ideal for negotiating urban zones with dense traffic while remaining highly spacious on the inside. Choose either the Medium or Large version if you need to maximize your cabin space.

# AUTOMATIC ACCESS.

The Zafira Life may look sharp, but it's also been designed with real purpose. Dual electric sliding doors\* give a wide opening into the rear for passengers in the second and third rows, also making it easy to load bigger items. Sensors allow for hands-free access\* to the cabin for those moments when you don't have a free hand.

**OPENING REAR WINDOW\***  
Open the tailgate window independently of the tailgate itself to make loading smaller items into the boot simple or to simplify loading in situations where space is limited.

# NEXT-LEVEL VERSATILITY.

The Zafira Life has been engineered to set class-leading standards of flexibility in everyday use. So whether you're headed to the beach with the kids and their friends, driving your colleagues to that important meeting or want to hold a conference at the adjustable office table, there's always a seating layout that suits.

Specify with up to 9 seats\* in a huge variety of configurations, according to your family or business demands. Learn more about the different configuration options on the following page.

\*Available as an option, standard equipment or not available, dependent on model.

# MAKE TRAVEL MORE FLEXIBLE.

Depending on the model variant you choose, you can configure the cabin of your Zafira Life in a variety of ways. The Zafira Life is perfect for moving long furniture, sports gear or anything else your routine calls for.

Load length expandable to a maximum of 3,51 m (long body variant).

7-seater with 2 single seats in the second and 2-seater bench and single seat in the third row with a comfortable vis-à-vis configuration.

5-seater without third row.

6-seater with 2 single seats in the second and third row.

Depending on the model you choose, the possibilities are endless. Fold down or remove the third seating row for increased boot capacity, specify as a 6- or 7-seater with individual seats in the second or third row and enhanced, lounge-like comfort in the rear. Choose the 2-seater front passenger bench\* if you regularly need to move up to 9 people\*.

SLIDE AND FOLD Second-row seats can slide forward or backwards\* to create extra legroom or allow easy access to the third row.

# WE THOUGHT OF EVERYTHING.

**FACE-TO-FACE SEATING**  
If you need to use your Zafira Life for a business meeting, simply take advantage of individual second-row seats\*, which can either face forward or be rotated for face-to-face travel, creating a calm and professional business environment in the rear.

## DASHBOARD STORAGE

Whether you need to store snacks, bottles, stationary or other everyday items, take advantage of an upper glove box (which can be illuminated and refrigerated\*) and a lower glove box with 12-V power sockets\*, plus numerous other interior storage compartments.

## TABLET AND PHONE HOLDER\*

Keep your smartphone and tablet in view and handily fixed in position with secure dashboard-mounted holders, also with USB connectivity\*.

## COMPUTER CHARGING

Stay plugged in and charged up on the go with USB connectivity\* in the front for driver and passenger and a 12-V power socket\* front and rear – plus a useful 230-V socket for the second row\*.

## CUPHOLDERS

With storage for 1,5-l bottles in the front door pockets and handy cupholders in the seat back tables.

# INTUITIVE TECHNOLOGY.

Staying connected on the move has never been more important to your family or your business – and with features like USB connectivity\*, Android Auto™\*, Apple CarPlay™\* and an intuitive 7" touch screen\* it's as effortless as never before. Enjoy smart navigation\* and driver support services with Opel Connect\*, and avoid parking scrapes with 180° Rear View Camera\* technology.

## **OPELCONNECT SERVICES\***

A smart range of services delivering a new degree of safety and support helps you stay connected on the road.

### **Peace of mind:**

Emergency Call, Breakdown Call and Vehicle Status and Information.

### **Convenience:**

Remote Functions for door locks, horn and lights.

### **Smart driving:**

Enjoy a relaxed ride thanks to Live Navigation and Trip and Drive Management.

## **180° PANORAMIC REAR VIEW CAMERA\***

Make parking and other tight city manoeuvres entirely stress-free with the 180° Panoramic Rear View Camera.

## **TOUCH SCREEN NAVIGATION\***

Your time is precious – reach your destination quickly and intuitively with Multimedia Navi\* and the Zafira Life's 7" touch screen\*.

# A SUPERIOR DRIVE.

Every element of the Zafira Life's refined interior has been designed to make the driving experience more rewarding than ever before. Get comfortable in ergonomic, heated front seats\*, available with a massage function\* for those moments you need to unwind.

A driving position with a high command of the road yet car-like steering wheel position, excellent soundproofing and a host of smart driver assistance technologies\* combine for a ride of superior control and composure.

## PANORAMIC ROOF\*

The stunning panoramic roof lets the light in, transforming the atmosphere of the cabin. When day turns to night, observe the stars or slide forward the blinds so your passengers can rest.

\*Available as an option, standard equipment or not available, dependent on model.

# CLASS-LEADING DRIVER INNOVATION.

With best-in-class technology available at the push of a button, the Zafira Life assists your daily drive in a practical, hands-off fashion.

Enjoy smarter illumination on the road, react quicker to outside forces like changes in the speed limit and stay easily in your lane.

**KEYLESS OPEN AND START\***  
Just get in and go without needing to locate your car keys – as long as they're in your pocket, bag or somewhere close.

**SMART BEAM\***  
Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

#### HEAD-UP DISPLAY\*

Unique in the segment, see vital info such as speed and Semi-adaptive Cruise Control\* data projected in the driver's line of sight on the Head-up Display\*.

#### SPEED LIMIT ADAPTATION\*

Uses Speed Sign Recognition to analyse changes in the speed limit. With one push of the memory button, allow Semi-adaptive Cruise Control to adjust your speed accordingly.

#### LANE DEPARTURE WARNING\*

Recognizes when the Zafira Life is drifting lanes and alerts the driver via audio and visual cue.

# ALWAYS IN CONTROL.

The Zafira Life takes the safety of you and your passengers as seriously as you do. Enjoy a host of features designed to add an extra layer of security to each trip, with radars and sensors

deployed to scan the road ahead and behind, so you're fully aware of your surroundings at any given moment.

#### BLIND SPOT ALERT\*

Uses sensors and a visual projection on the wing mirrors, alerting the driver to vehicles in the car's blind spot to prevent accidents in overtaking situations.

#### DRIVER DROWSINESS ALERT\*

Analyses your driving patterns via the front camera and steering wheel movements to let you know when it's time to take a quick break.

#### FORWARD COLLISION ALERT\*

Scans the road ahead to alert the driver to the potential for a collision with vehicles or pedestrians.

#### AUTOMATIC EMERGENCY BRAKING\*

Takes action to avoid an accident, applying the brakes automatically in case of potential collision.

#### PARK ASSIST\*

Gives you a helping hand with sensors to make parking as simple as possible. If specified, the 180° Panoramic Rear View Camera\* provides an additional top-view image of the car's surrounding area.

# GO FURTHER.

The Zafira Life takes you further on a single tank with a range of powerful yet frugal engines and smooth transmissions, both manual and automatic, for lower running costs and maximum efficiency.

Enjoy a more poised drive than ever before, whatever the surface or weather conditions.

**INTELLIGRIP\***  
The Zafira Life's IntelliGrip system<sup>1</sup> provides extra levels of traction on tricky surfaces such as mud, sand or snow.

\*Available as an option, standard equipment or not available, dependent on model.

# READY FOR THE CITY.

Some large cars can feel impractical inside the city limits – but not the Zafira Life. The Small version in particular, with a shorter wheelbase and total length of 4,60 m, combines a spacious interior with very compact dimensions, making parking in the city – or your garage – a breeze.

Additionally, its useful sub-1,90-m height<sup>1</sup> ensures unrestricted access to tight spots such as underground car parks.

<sup>1</sup> Except versions with increased payload.

# PERFECTION INSIDE AND OUTSIDE.

Choose from 7 stylish finishes and 4 upholstery designs with the finest premium character.

Also choose from a total of 4 modern wheel designs and 2 different materials.
