

THE NEW ZAFIRA LIFE

FOR WORK OR PLAY.

Your go-anywhere family car that's packed with luxury features the whole family will love. Not to mention flexible seating for up to eight plus all the driver assistance and safety features you need for safer, more comfortable driving. So, whether it's a daily shuttle run or your next big family getaway, the Zafira Life Elite will get you there in style and total comfort.

DEMAND MORE, GO FURTHER.

1. TRUE OPEL DESIGN: in the Zafira Life Elite, German safety and efficiency meets the highest standards of Opel engineering and design precision. The result? A multi-purpose family car which is completely true and exceeds expectations at every turn.

2. SIZES AND DIMENSIONS: choose your Zafira Life Elite in two different sizes, each cleverly packaged to maximise interior space.

3. MAJOR FLEXIBILITY: available with up to eight seats, the Zafira Life Elite can be configured to fit your precise demands. Seats in the second and third rows slide forward or backward to increase legroom and flexibility. Second-row seats can be easily configured for face-to-face travel.

4. A SMOOTHER RIDE: don't let its size deceive – the Zafira Life Elite's handling is agile and dynamic, with a range of engines and gearboxes designed for the kind of smooth, efficient drive you'd expect from an Opel.

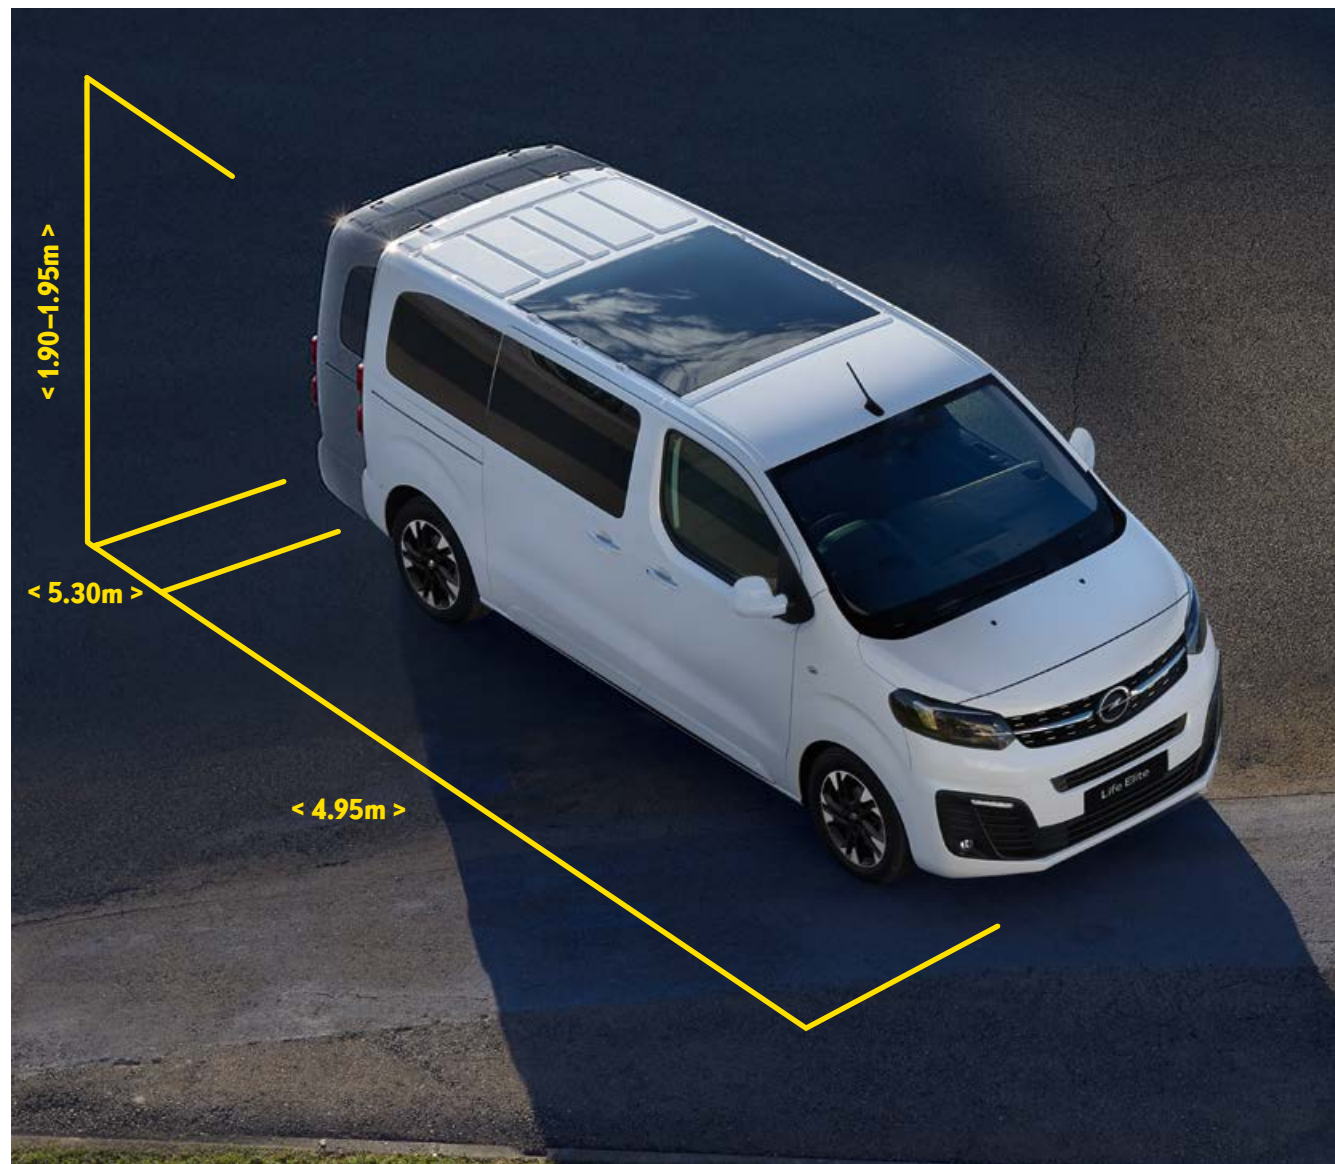

5. PANORAMIC ROOF AND MASSAGE SEATS: let the light in and transform the cabin ambience with the panoramic roof. Heated front seats with massage function do the trick when the weather gets cold.

6. DRIVER ASSISTANCE INNOVATION: a range of advanced assistance technologies, from Speed Limit Adaptation¹ and Smart Beam¹ to 180° Panoramic Rear View Camera, makes life simple and keeps your day on track.

¹Optional as part of the Driver Assistance Pack.

NO NEED TO COMPROMISE.

Sometimes a little extra space makes all the difference. Choose the Zafira Life in a choice of two lengths – Medium or Large – according to your needs. At just 4.95m in length, the Medium version is ideal for negotiating a busy urban environment with everything and everyone on board. Choose the Large version if you need to maximise your cabin space.

AUTOMATIC ACCESS.

Meet all the clever features and practical solutions that help make your life a little easier. Like dual electric sliding doors for getting in and out of the rear cabin, with intelligent sensors that give you hands-free access. A must-have for busy families and outdoor adventurers.

OPENING REAR WINDOW

Open the tailgate window independently of the tailgate itself to make loading smaller items into the load area simple or to simplify loading in situations where space is limited.

NEXT-LEVEL VERSATILITY.

A versatile yet sophisticated people carrier, with enough space for the whole family and more, that's your new Vivaro Life Elite.

Engineered to be totally flexible, it can be specified with up to eight seats according to your family with various seating configurations to suit your needs.

SLIDE AND FOLD
Second-row seats can be slid forward or backwards³ to create extra legroom or allow easy access to the third row.

MORE TRAVEL MORE FLEXIBLE.

Configure the cabin of your Zafira Life in a variety of ways. With a load length of 2.76m¹, the Zafira Life is perfect for moving long furniture, sports gear or anything else your routine calls for. The second-row seats can be slid forward or backwards³ to create extra legroom or to allow easy access to the third row.

Load length expandable to a maximum of 2.76m¹.

7-seater with two single seats in the second and 2-seater bench and single seat in the third row with a comfortable face-to-face configuration and fold-away table².

8 seater with 2-seater bench and single seat in the second and third row

5-seater without third row.

Fold down or remove the third seating row for increased boot capacity, create as a 6- or 7-seater with individual seats in the second or third row and enhanced, lounge-like comfort in the rear.

¹ Load length of 2.76m in the Large variant with the front row seats in place.

² Optional.

³ Seats can either slide on rails or fold forward/backwards, but not both.

WE THOUGHT OF EVERYTHING.

FACE-TO-FACE SEATING¹

Long road trip or day out planned? Vivaro Life Elite's individual second-row seats can face forward or be rotated for face-to-face travel. Pull out the centre table¹ and you have a handy surface for everything you need to keep them entertained; games, books and snacks.

DASHBOARD STORAGE

Whether you need to store snacks, bottles, stationary or other everyday items, take advantage of a glove box (which can be illuminated and refrigerated) and a lower shelf with 12V power sockets, plus numerous other interior storage compartments.

TABLET AND PHONE HOLDER¹

Keep your smartphone and tablet in view and handily fixed in position with secure dashboard-mounted holders, also with USB connectivity.

COMPUTER CHARGING

Stay plugged in and charged up on the go with USB connectivity in the front for driver and passenger and a 12V power socket front and rear – plus a useful 230V socket for the second row.

CUPHOLDERS

With storage for 1.5 litre bottles in the front door pockets and handy cupholders in the seat back tables.

¹Optional.

INTUITIVE TECHNOLOGY.

Staying connected on the move has never been more important to your family – and with features like USB connectivity, Android Auto™¹, Apple CarPlay™¹ and an intuitive 7-inch touch screen¹ it's as effortless as never before. Enjoy smart navigation and driver support services with Opel Connect^{1,2}, and avoid parking scrapes with 180° Rear View Camera technology.

OPEL CONNECT
Stay connected on the road with smart technology and security systems. Helpful features such as emergency call and breakdown call with access to Roadside Assistance will be available from autumn of 2019².

180° PANORAMIC REAR VIEW CAMERA
Make parking and other tight city manoeuvres entirely stress-free with the 180° Panoramic Rear View Camera.

TOUCH SCREEN NAVIGATION
Your time is precious – reach your destination quickly and intuitively with a Navi Pro infotainment system with a 7-inch touchscreen.

¹Compatibility and certain functionalities may differ depending on the type of device and version of operating system. Apple CarPlay™ is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc.

²Emergency and breakdown call availability as option in vehicles, plus further Opel Connect Services expected from autumn 2019. Services might require a subscription/fee and are subject to mobile network coverage and availability.

A SUPERIOR DRIVE.

Inside, the Vivaro Life Elite is focused around comfort and enjoyment. Drivers will enjoy a commanding driving position, agile handling, and a host of smart driver assistance systems that make every drive smoother.

Pair this with creature comforts like ergonomic heated front seats with massage facility and panoramic roof, and you have the ultimate luxury lounge on wheels.

PANORAMIC ROOF

Located above the second row of seats, the stunning panoramic roof lets the light in, transforming the atmosphere of the cabin. When day turns to night, observe the stars or slide down the blinds so your passengers can recline and relax.

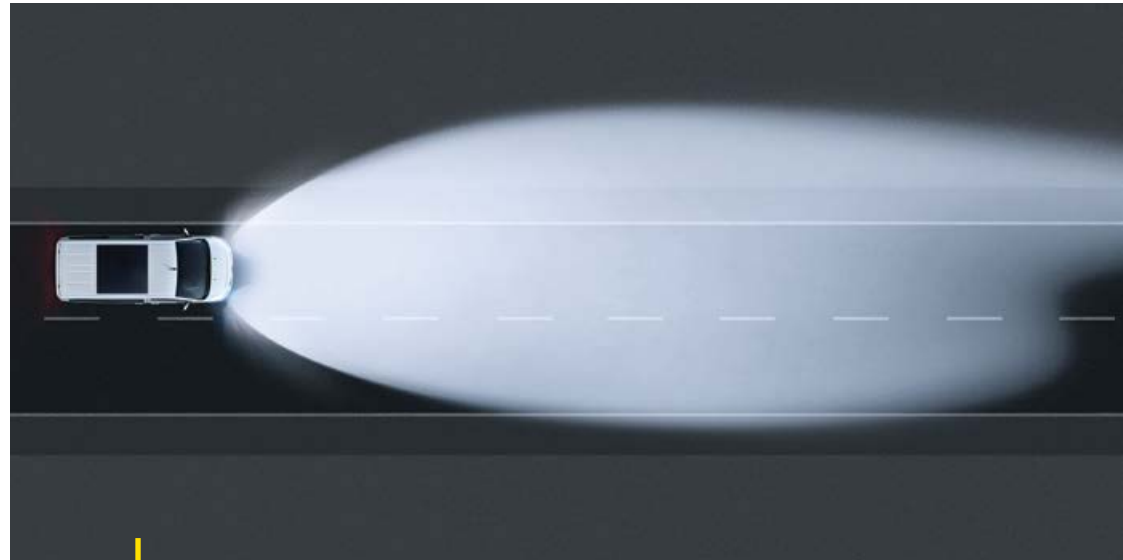

CLASS-LEADING DRIVER INNOVATION.

Make your daily drive a doddle with Vivaro Life Elite's range of state-of-the-art innovations. Best of all, you'll get a whole host as standard on the Vivaro Life Elite, including keyless open and start and head-up display.

Additional safety features can be grouped together and bought as packs, making it easier to add the level of security and protection that you need for you and your family.

KEYLESS OPEN AND START
Just get in and go without needing to locate your car keys – as long as they're in your pocket, bag or somewhere close.

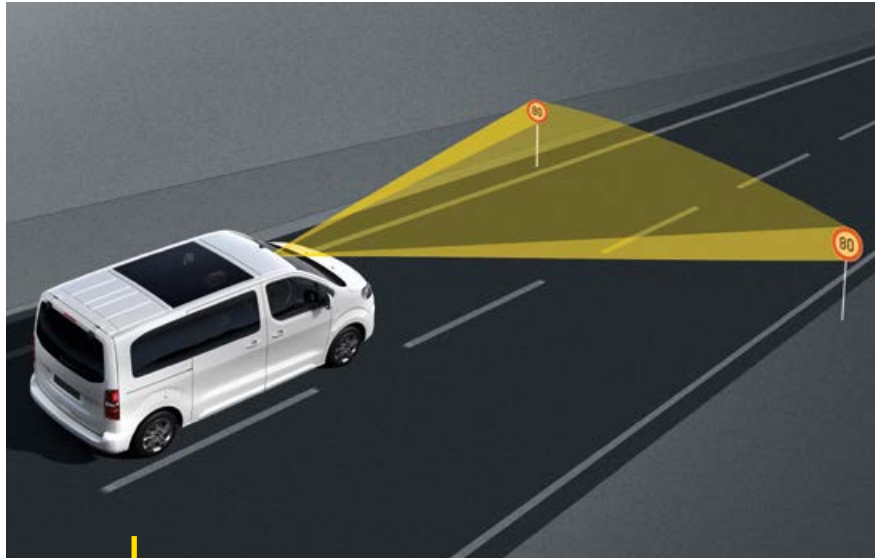

SMART BEAM¹
Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

HEAD-UP DISPLAY

Unique in the segment, see vital info such as speed and cruise control data projected in the driver's line of sight on the Head-up Display.

SPEED LIMIT ADAPTATION¹

Uses Speed Sign Recognition to analyse changes in the speed limit. With one push of the memory button, allow cruise control to adjust your speed accordingly.

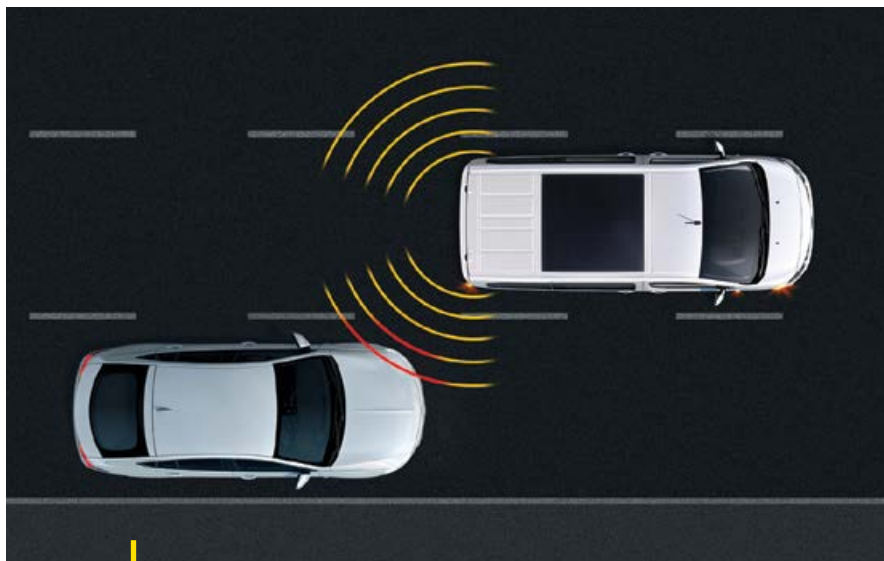

LANE DEPARTURE WARNING¹

Recognises when the Zafira Life is drifting lanes and alerts the driver via audio and visual cue.

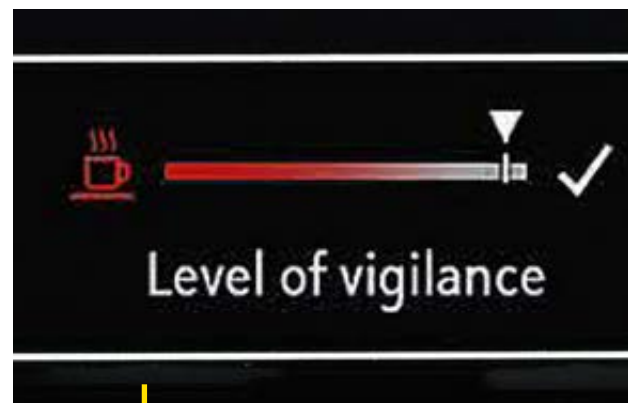

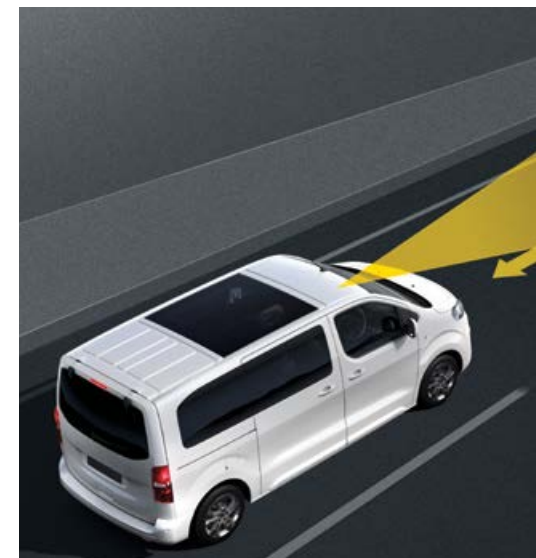

¹Optional as part of the Driver Assistance Pack.

ALWAYS IN CONTROL.

The Zafira Life Elite takes the safety of you and your passengers as seriously as you do. Enjoy a host of features designed to add an extra layer of security to each trip, with radar technology and camera sensors deployed to scan the road ahead and behind, so you're fully aware of your surroundings at any given moment.

BLIND SPOT ALERT
Uses sensors and a visual projection on the wing mirrors, alerting the driver to vehicles in the car's blind spot to prevent accidents in overtaking situations.

DRIVER DROWSINESS ALERT¹
Analyses your driving patterns via the front camera and steering wheel movements to let you know when it's time to take a quick break.

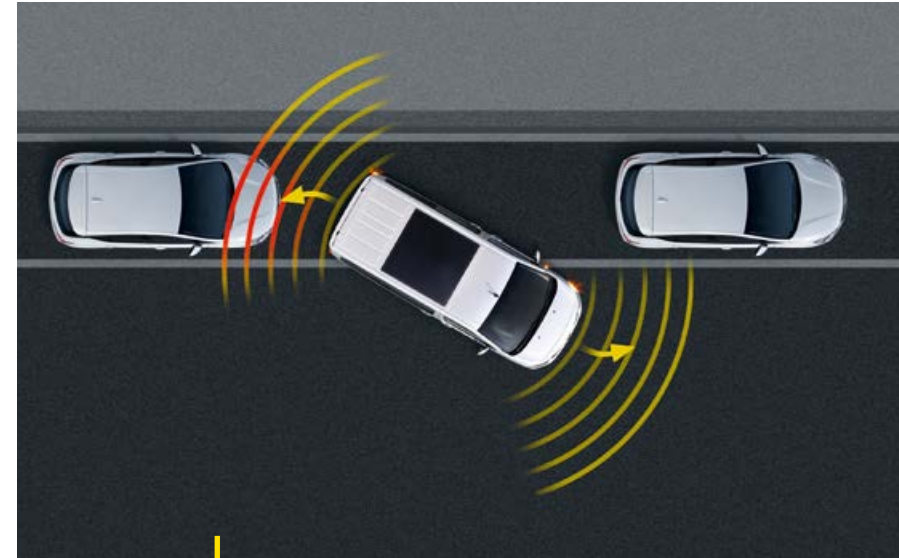

FORWARD COLLISION ALERT¹

Scans the road ahead to alert the driver to the potential for a collision with vehicles or pedestrians.

AUTOMATIC EMERGENCY BRAKING^{2,3}

Takes action to avoid an accident, applying the brakes automatically in case of potential collision.

PARK ASSIST

Gives you a helping hand with sensors to make parking as simple as possible. The 180° Panoramic Rear View Camera provides an additional top-view image of the car's surrounding area.

¹ Optional as part of the Driver Assistance Pack.

² Optional as part of the Driver Safety Pack.

GO FURTHER.

The Zafira Life Elite takes you further on a single tank with a range of powerful yet frugal engines and smooth transmissions, both manual and automatic, for lower

running costs and maximum efficiency. Enjoy a more poised drive than ever before, whatever the surface or weather conditions.

EIGHT-SPEED AUTO
A smooth and ultra-efficient eight-speed auto will take you further in complete stress-free comfort

INTELLIGRIP¹
The Zafira Life Elite's IntelliGrip system¹ provides extra levels of traction on tricky surfaces such as mud, sand or snow.

¹Optional.

Automatic Emergency Braking with Pedestrian Detection works automatically above 5km/h and below 85km/h. From 0 to 30km/h, the deceleration metric to reduce the impact speed of the collision is 0.9g. From 30 to 85km/h, the system reduces the speed by a maximum of 22km/h. After this threshold, the driver needs to brake him/herself to reduce the speed even further. Operational speed range of Automatic Emergency Braking with Pedestrian Detection depends on the detected obstacle (mobile obstacle: from 5 to 85km/h; fixed obstacle: from 5 to 80km/h; pedestrian: from 5 to 60km/h). Opel driver assistance systems are intended to support the driver within the system-immanent limitations. The driver remains responsible for the driving task.
