YOUR KIND OF FUN.

Corsa is made with fun in mind. Great to look at, and to drive, it's everything you want from a city ride, with an interior so comfy you won't want to get out.

It starts with a nippy engine range that costs pennies to run, and gets even smarter with a system that finds you a parking space and steers your Corsa into it.

But that's just the beginning. Corsa's packed full of exciting ideas to make your drive easier, safer and more enjoyable than ever.

This brochure covers Corsa, SC and SRI models only. Some of the models shown include options and accessories available at extra cost. Not all of the features described are available on every model. We may also offer alternative Corsa models such as Special Editions. For all current models or equipment details visit the Opel website at www.opel.ie/corsa or ask you local dealer.
