

MOKKA X

2019 Models Edition 2

IT'S YOUR LIFE, GO DRIVE IT.

'X' hints at everything that is exciting in the MOKKA X.

Xtra height, with that Xtra feelgood factor of driving high and mighty above the crowd.

Xtra traction, whether you're on the motorway, nipping around town or going off-road – it stays confidently on track.

Xtra muscle, with an intelligent four-wheel drive system that gives MOKKA X improved stability, traction and handling. Ideal when you're faced with the worst the Irish weather can throw at you.

And let's not forget all its Xtra clever technology. On the safety front there's LED Adaptive Forward Lighting*, hill start assist, while inside you'll find a redesigned interior with touchscreen infotainment and electronic climate control.

So you can see, that whatever your lifestyle, MOKKA X is ready to bring something Xtra.

*Optional at extra cost only available with Sight and Light Pack on SC models.

MOKKA X

LIVE THE HIGH LIFE.

Underneath that rugged exterior, MOKKA X shows off plenty of sophistication. Here's a taste of the highlights – beginning with some clever headlights:

1. **LED Adaptive Forward Lighting*** tailors the shape of your headlights' beam for up to nine different driving situations, giving you optimum visibility at all times. Be enlightened on page 13.
2. **Premium interior design** makes your MOKKA X a great place to spend time. The clean, uncluttered cabin adds a feeling of calm to every journey. Practical technology puts you in control. And carefully crafted details give you an extra sense of luxury. Head to page 8 to take a closer look at the MOKKA X interior.
3. **4X4 intelligent four-wheel drive** will automatically distribute the power between the front and rear wheels to optimise MOKKA X's traction in difficult conditions, giving even greater grip. Steer your way to page 10.
4. **Radio 4.0 IntelliLink or Navi 900 IntelliLink.** Stay informed and entertained with state-of-the-art infotainment systems, featuring large touchscreen interfaces that seamlessly integrate your digital devices using either Apple CarPlay™ or Android Auto™. Fast forward to page 17.
5. **Ergonomic active seats**, specially certified by the AGR**, with extendable thigh support and an adjustable lumbar area to support you in all the right places and keep your back healthy. Just sit back and relax.
6. **Accessories.** From a FlexConnect tablet holder to a convenient Cargo Organiser, Opel have put together some clever accessories to make life on the road easier. To discover more head to pages 20-21.

*Optional at extra cost only available with Sight and Light Pack on SC models.

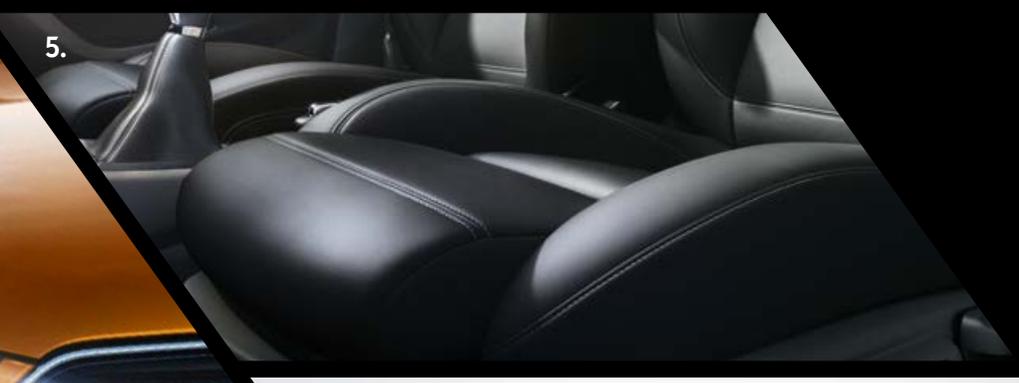

**AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

And not all of the features described are available on every model. We may also offer alternative MOKKA X models such as Special Editions. So for all current model or equipment details visit the Opel website: www.opel.ie

TAKES TOWN AND COUNTRY TO A DIFFERENT CLASS.

MOKKA X brings premium design and practicality to the street smart SUV.

Nicely compact with a muscular shape, it not only looks and drives great in the city, but has the ride height and big alloy wheels to go off-road with confidence.

1. **Xtra all-round.** In every detail, MOKKA X shows off urban style with a rugged attitude.
2. **Ready for action.** Useful features like roof rails enhance MOKKA X's poised and sporty look.
3. **Let the outdoors in.** The big optional glass sunroof adds to the great sense of space inside.

FEELS GOOD INSIDE.

Step into the MOKKA X, and the first thing you'll notice is its premium quality and elegant minimalism.

Its airy, uncluttered cabin and fascia give you a true sense of spaciousness, heightened by MOKKA X's elevated position that gives you a clear view of the road ahead.

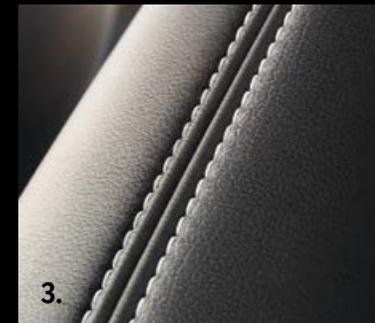

Detailed refinement and quality continue throughout the cabin. Deeply contoured ergonomic seats*, smart technology and thoughtful features show off the careful design that has gone into the MOKKA X interior.

Storage space is also generous and clever, with improved arrangements that are even more useful.

Throughout the cabin, delicate curves complement the high-quality trim to highlight the cool, calm and comfortable feel of MOKKA X's interior. Welcome inside.

*Standard on Elite models only.

1. **Clarity and style.** The clean, uncluttered layout of the centre console with the integrated IntelliLink touchscreen display makes it easy to find key controls at a glance.
2. **Practical technology.** Complementing the IntelliLink touchscreen display, the driver display in the instrument cluster shows up trip computer functions loud and clear.
3. **Crafted with care.** Stylish facia stitching shows off the MOKKA X's quality in even the smallest of details.

IT GRIPS YOU.

Whether you're driving around tight city streets or up steep country lanes, MOKKA X is made for the challenge.

Combining brains with brawn, optional 4X4 intelligent four-wheel drive technology gives MOKKA X greater traction, stability and control using sensors to continuously monitor the car's grip.

As the road surface changes, the 4X4 system automatically distributes drive between the front and rear wheels to optimise road holding.

But the high-tech doesn't end there.

The hill start assist, which comes as standard, will stop you rolling back on steep hills by automatically releasing the brakes as you pull away, while with a descent control system you can take your MOKKA X 4X4 off-road and safely control your speed on steep downhill gradients without having to brake.

MOKKAX

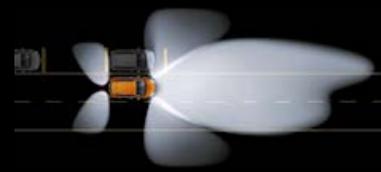

LIGHTS WITH BRIGHT IDEAS.

MOKKA X is one of the first SUVs to offer full LED Adaptive Forward Lighting (AFL)*. This literally brilliant LED technology automatically adjusts an array of LED beams to illuminate different hazards, depending on the kind of driving or manoeuvre you're performing.

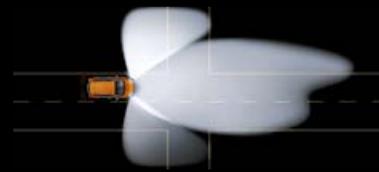

Here's how it works. The AFL headlights on the MOKKA X feature six LED elements that light the road 30% brighter than standard halogen lights, giving you a better chance to see hazards sooner and giving you more time to react in an emergency. The AFL LED system uses data such as the MOKKA X's speed, steering angle and indicators to choose the best lighting pattern.

Energy saving mode. Switches off the cornering lights to save energy when the MOKKA X's Start/Stop mode is on.

Parking light. In reverse gear, this switches on the front cornering light on both sides of the car so it makes it easier for you to get in and out of parking spots.

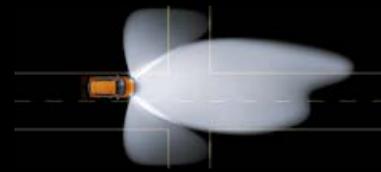

Static cornering light (up to 40km/h). When you indicate and turn the steering wheel past a certain angle extra AFL LED lights come on to show what's around the corner.

Dynamic curve light (40 to 70km/h). Above a certain steering angle, extra cornering AFL LED lights give you an illuminated view around higher-speed curves.

High beam assist. This safety feature automatically dips your headlights when the AFL LED system detects other vehicles approaching.

Country light. Above 55km/h, a longer, broader, dazzle-free, low-beam light helps to illuminate any upcoming roadside hazards.

High beam. Powerful illumination on top of the LED low beam – gives you full-on lighting for maximum visibility at night and on low-lit roads.

Tourist mode.** If you're driving on the continent, to avoid dazzling oncoming traffic the headlights automatically angle slightly downwards.

*Optional at extra cost.

**When activated.

Mokka X

EFFICIENCY WHERE IT COUNTS.

You know what they say – power is nothing without control.

Which is why Opel developed intelligent 4X4 technology and new, fuel-efficient engines for the MOKKA X.

The MOKKA X delivers:

- A tough yet lightweight chassis for exceptional agility
- Impressive driving performance, both on and off-road
- Low-noise, high-power diesel technology
- Impressive engine technology for reduced emissions and lower fuel costs

Go on – just put MOKKA X to the test and we're sure you'll have nothing but a smile on your face.

For complete engine, fuel economy and emission data please plus availability of each engine by model, please refer to the MOKKA X Price and Specification Guide available to download from www.opel.ie

- 1,3. A nice change.** Choose the convenient 6-speed automatic or a hands-on 5 or 6-speed manual for amazing response with powerful control.
- 2. No compromises here.** Our 1.4i ecoTEC petrol turbo is powerful for its relatively small size, giving great fuel economy without compromise on performance and muscle.

STAY CONNECTED, WHEREVER YOU ROAM.

The MOKKA X is one of the best-connected, smartest SUVs in its category. Every MOKKA X features Bluetooth® connectivity for hands-free phoning and audio streaming. What's more, with IntelliLink as standard on all models too, you can display features from your smartphone¹ to the touchscreen on the fascia. State-of-the-art connectivity, keeping you informed and entertained while on the move.

1. **The Radio 4.0 IntelliLink** can project your smartphone apps to the 7-inch touchscreen display. This includes your phone's contacts, messaging, music (inc. Spotify), radio (inc. Tune-In), podcast, navigation apps (e.g. Apple Maps for iPhone or Google Maps for Android) among many more. All of these can be accessed via the touchscreen, or you can use Siri (iPhone) or Google Now (Android) voice command for phone, messaging, music, maps and calendar¹.
2. **Top-of-the-range sat nav.** On top of Radio 4.0 functionality, the optional 8-inch Navi 900 IntelliLink² includes a fully-fledged navigation system with bird's eye view mode. You can choose destinations through the integrated voice command mode, the touchscreen or select places from your favourites.

1. Compatibility and certain functionalities may differ depending on type of device and version of operating system. 2. Standard on Elite and optional on SC models. Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

BRING IT ON.

New MOKKA X is made for all kinds of adventures – big and small, extraordinary and day-to-day – so we've put together some accessories to make life on the road smarter and easier.

1. **Treat your MOKKA X to a powerful look** with our range of tailored styling accessories to enhance its sporty look.
2. **Ski and snowboard carrier.** Perfect for snow sports fans – carry up to six pairs of skis or up to four snowboards using this tough, secure carrier which is tailored for MOKKA X.
3. **Cargo organiser.** This collapsible organiser stops things you're carrying from moving around when you're on the road, keeping everything in its right place.
4. **FlexConnect tablet holder.** Ideal device holder for passengers, so you can mount tablets up high to watch movies, or lower for reading and typing.
5. **FlexConnect folding table.** Whatever your cup of tea, coffee or juice, snap down this foldaway table and it'll hold your drink nice and steady, with plenty of room to write, read or have a bite to eat.
6. **DUO ISOFIX child seat.** For young families on the go, a child seat is essential. Ideal for little ones weighing 9-18kg, can be attached using the standard ISOFIX child seat restraint fittings.

2. **Elite models.** Ergonomic, back-friendly sports front seats with Jet Black Jasmine leather seat inserts and Jet Black Morrocana bolsters. Décor mouldings in Ruthenium and Jet Black with Galvano Chrome inlays.
3. **Elite models (no-cost option)**.** Ergonomic, back-friendly sports front seats with Morello Red Jasmine leather seat inserts and Morello Red Morrocana bolsters. Décor mouldings in Piano Black and Jet Black with Galvano Chrome inlays.

Design your own MOKKA X on opel.ie/mokkax

CREATE A CHARACTER.

Wheels are the boots and shoes that finish off the look of your new MOKKA X. And each model comes with its own distinct set of stylish wheel trims or alloys.

Standard wheels

1. **SC/Elite models – 17-inch alloy wheels** with 215/60 R 17 tyres.

Optional alloy wheels

2. **18-inch diamond-cut bi-colour 10-spoke alloy wheels** with 215/55 R 18 tyres (optional at extra cost on Elite models).
3. **18-inch black 10-spoke alloy wheels** with 215/55 R 18 tyres (optional at extra cost on SC and Elite models).
4. **19-inch 5-twin spoke alloy wheels** with 225/45 R 19 tyres (optional at extra cost on SC and Elite models).

Please note: An emergency tyre inflation kit is standard on all MOKKA X models in lieu of a spare wheel. An emergency steel spare wheel and tyre is available on all models as an extra-cost option. Fitting this spare wheel and tyre will reduce luggage capacity.

REASONS TO LOVE IT.

Like the look of MOKKA X?

Then you'll love to drive it.

Here's four reasons why:

- Large IntelliLink touchscreens with Apple CarPlay™ or Android Auto™, Siri, Google Now (Android) for voice command, phone calls, messaging, music, maps and calendar
- The super-comfortable and spacious interior with advanced ergonomic design and widescreen views
- The safer, smarter drive you get with intelligent tech like LED Adaptive Forward Lighting* and hill start assist
- The confident control of this compact SUV's full-on 4X4 drive and serious road grip

That's just for starters. There's dozens more reasons.

But don't just take our word for it.

Book yourself a test drive to see, feel and believe it for yourself.

*Optional at extra cost only available with Sight and Light Pack on SC models.

Opel Service.

Europe-wide Customer Service.

Throughout Europe, more than 6,000 Opel repair workshops are ready to provide professional and punctual service. As you'd expect, they'll repair your vehicle to the highest standards. More unusually, perhaps, they'll tell you exactly what's been done and why, and they will show any costs involved clearly and concisely.

New Vehicle Warranty.

Opel Automobile Ireland Limited (referred to as 'Opel') guarantees for motor vehicles of its manufacture, that each vehicle is free from defects according to the state of the art for a period of: The first 2 years carry an unlimited mileage warranty. The 3rd year of warranty has a mileage limitation of 100,000km for Passenger Cars & Car derived vans; for Combo, Vivaro and Movano

the limitation is 150,000km. The warranty is valid from delivery from the supplying Opel Distributor or from first registration, whichever occurs first (warranty start date).

Opel Roadside Assistance.

This free-of-charge mobility service is valid for all new Opel vehicles during the first year after the date on which they were first registered or delivered to the customer by the dealer, depending on which date comes first. No matter where you are, the Opel Assistance is there to help. In more than 40 European countries – round the clock. Offering services such as breakdown assistance, towing services, rental car, hotel accommodation or the organisation of onward transportation, e.g. via rail or air (please see programme conditions).

12-year Anti-Perforation Warranty.

Opel provides you with a reliable long-term warranty against perforation, provided you have your vehicle serviced and all necessary inspections performed according to the service booklet.

2-year Warranty for Opel Batteries.

With a 2-year warranty for service-installed Opel original batteries your starting problems are over – even in the coldest winter.

Parts and Accessories Service.

Opel parts and accessories are available at your local Opel Shop, where you'll find everything to make your vehicle more comfortable or to meet your individual needs, as well as expert advice.

Opel on the Internet.

Need instant information? At www.opel.ie you can access a wealth of information on all Opel cars, services, and accessories. Get online for Opel news and product updates.

Recycling.

Information about Design for Recycling, Take-Back points for End of Life Vehicles (ELVs) and the recycling of ELVs can be found on the Opel website www.opel.ie

In case of any questions, please ask your Opel dealer. More information can be found at www.opel.ie
