PRICES AND SPECIFICATIONS

2019 models. Prices effective 21 November 2018

ASTRA RANGE HIGHLIGHTS

ASTRA SC

Highlights

- IntelliLink smartphone connectivity
- Bluetooth® audio / mobile phone
- DAB digital radio
- Air conditioning
- Cruise control with speed limiter
- Multi-function trip computer

Infotainment:

- Radio 4.0 IntelliLink
 - 7-inch colour touchscreen with DAB/FM/AM Radio
 - Smartphone connectivity for your phone, messaging, music, maps and apps
 - Apple CarPlay™ and Google Android Auto™ app projection
 - Steering wheel controls for phone, music and cruise control
 - Bluetooth® phone, messaging and music streaming
 - USB connection
 - Four speakers

Interior convenience / styling:

- Steering column adjustable for reach / rake
- Steering wheel audio / cruise controls
- Electrically operated front and rear windows

Exterior convenience / styling:

- Electrically adjustable/heated door mirrors
- Remote control central locking
- 16-inch structure wheels

Safety / security:

- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Hill start assist
- Six airbags
- ISOFIX child seat mounting points for outer rear seats
- Tyre pressure monitoring system with individual read-out

ASTRA 120 YEARS EDITION

Highlights

- IntelliLink smartphone connectivity
- Bluetooth® audio / mobile phone
- DAB digital radio
- Air conditioning
- Cruise control with speed limiter
- Multi-function trip computer

Infotainment:

- Radio 4.0 IntelliLink
 - 7-inch colour touchscreen with DAB/FM/AM Radio
 - Smartphone connectivity for your phone, messaging, music, maps and apps
 - Apple CarPlay™ and Google Android Auto™ app projection
 - Steering wheel controls for phone, music and cruise control
 - Bluetooth® phone, messaging and music streaming
 - USB connection
 - Four speakers

Interior convenience / styling:

- As Astra SC, plus:
 - ‘Opel’ door sill covers
 - 120 year front floor mats
 - Allure black cloth seat trim

Exterior convenience / styling:

- As Astra SC, plus:
 - 16-inch alloy wheels

Safety / security:

As Astra SC.

ASTRA SRI

Highlights

- Satellite navigation
- Smartphone projection
- Forward collision alert
- Traffic sign recognition
- Lane departure warning / lane assist

Infotainment:

- Navi 900 IntelliLink
 - DAB/FM/AM Radio
 - 8-inch colour touchscreen
 - Satellite navigation
 - Smartphone connectivity for your phone, messaging, music, maps and apps
 - Apple CarPlay™ and Google Android Auto™ app projection
 - Siri / Google Now voice command for phone, messaging, music, maps and calendar
 - Steering wheel controls for phone, music and cruise control
 - Bluetooth® phone, messaging and music streaming
 - USB connection
 - Six speakers

Interior convenience / styling:

- As Astra SC, plus:
 - Leather-covered steering wheel
 - Sports-style front seats
 - Driver’s ergonomic active seat
 - Adjustable front armrest

Exterior convenience / styling:

- As Astra SC, plus:
 - Automatic lighting / wipers

ASTRA FEATURES / OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
- Anti-submarining ramps in all seats – Prevents occupants sliding underneath the lap belt during a collision

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front seatbelts with crash locking tongues • Outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement • **Front and outer rear seatbelt force limiters** – Reduces potential upper body injuries during a frontal impact • Front and rear 'seatbelt unfastened' audible warning and warning light

Child safety

- **Deactivation switch for front passenger's airbag** – Permits the safe use of a child seat in the front passenger seat • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install • Child-proof locks on rear doors

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

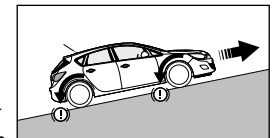

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering

Additional braking features:

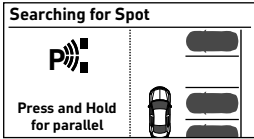

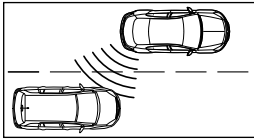

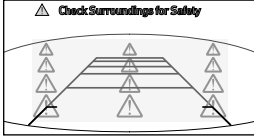

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance • Hazard warning lights
- Fading brake support – Compensates for the effects of brake fade
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel • Adaptive brake lights – Automatically warns other road users of heavy braking • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

- Tyre pressure monitoring system

EXTERIOR LIGHTING						
Standard lighting features						
<ul style="list-style-type: none"> LED daytime running lights Automatic lighting control: <i>Headlights are automatically switched on or off depending on external lighting conditions.</i> Halogen projector headlights LED side repeat indicators Lights-on audible warning Manual headlight beam levelling High-level LED centre rear brake light Rear fog light Reversing light Hazard warning lights Door-to-door illumination: <i>Headlights remain illuminated for a limited time after leaving the vehicle.</i> 	●	●	●	●	●	
<ul style="list-style-type: none"> Automatic lighting control with tunnel detection 	●	●	●	●	●	
IntelliLux LED Matrix headlights <i>IntelliLux LED Matrix headlights provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of eight individual LED lights.</i> <i>Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.</i> <i>The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated. Studies shown that the enhanced roadside illumination of IntelliLux LED Matrix headlights gives the driver an extra 1.5 seconds of reaction time at 80km/h.</i>						
<ul style="list-style-type: none"> Dipped beam, main beam and dynamic lighting: <i>16 electronically controlled LED lights (eight per headlight)</i> Driving Assistance Pack One incorporating front camera system Intelligent main beam control Automatic headlight levelling LED tail lights 						
<ul style="list-style-type: none"> ✔ Smart headlights automatically adjust the shape of high beam ✔ No need to switch between high and low beam ✔ Avoids dazzling other drivers 		□	○	○	●	1350
Every type of driving environment has been considered: Urban light: <i>With street lighting and speeds up to 54km/h, the system automatically enhances the dipped beam function.</i> Highway light: <i>The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers.</i> Country light: <i>As speeds increase, so does the lighting's range.</i> Static Cornering light: <i>At lower speeds corners and bends are illuminated to match steering inputs.</i> Parking light: <i>When reversing, additional side-facing lights are activated in the headlights.</i> Energy saving mode: <i>On Start/Stop models, the IntelliLux LED Matrix system goes into Energy saving mode when the engine is automatically stopped.</i>

TRANSMISSION

Five-speed manual gearbox

Standard on: 1.0i Turbo (105PS)

Six-speed manual gearbox

Petrol engines: 1.4i Turbo (150PS) models

Diesel engines: 1.6CDTi (110/136PS) models

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is available on 1.6CDTi (136PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes. The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a ‘neutral’ gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

BRAKING AND STABILITY

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution

- Power-assisted steering
- Turning circle (wall-to-wall):
– 11.05m (36.2ft.)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	Hatchback	Sports Tourer	Hatchback	Sports Tourer
1.0i Turbo (105PS) Start/Stop ecoTEC	1780	1850	1220 (610)	1150 (620)
1.4i Turbo (150PS)	1820	1890	1550 (620)	1500 (640)
1.6CDTi (110PS) ecoTEC	1865	1940	1500 (650)	1500 (680)
1.6CDTi (136PS) Start/Stop	1875	1950	1650 (650)	1500 (680)
1.6CDTi (136PS) automatic	1900	1975	1700 (650)	1500 (680)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel Dealer. They are designed specifically for Opel models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 96km/h. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

BODY

Aerodynamic drag co-efficient:
Hatchback – Cd 0.285
Sports Tourer – Cd 0.278

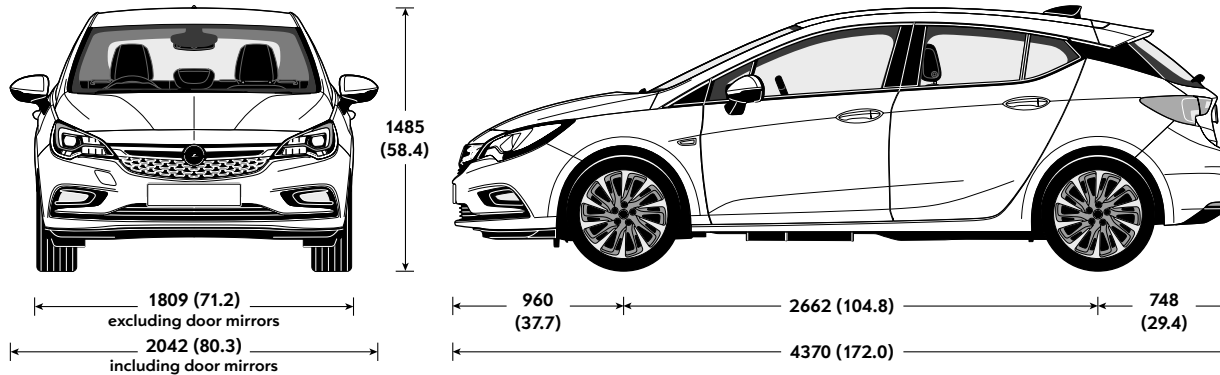

FUEL TANK CAPACITY

48 litres (10.5 gallons)
