

GRANDLAND X

LIFE IS GRAND.

WHAT ARE YOU WAITING FOR?

It's been a long time since you followed your intuition. Don't let fate decide your journey, take over the wheel for yourself. Celebrate your newfound freedom by roaming the streets like you used to and welcome a new thirst for adventure – with the Grandland X and its plug-in-hybrid version.

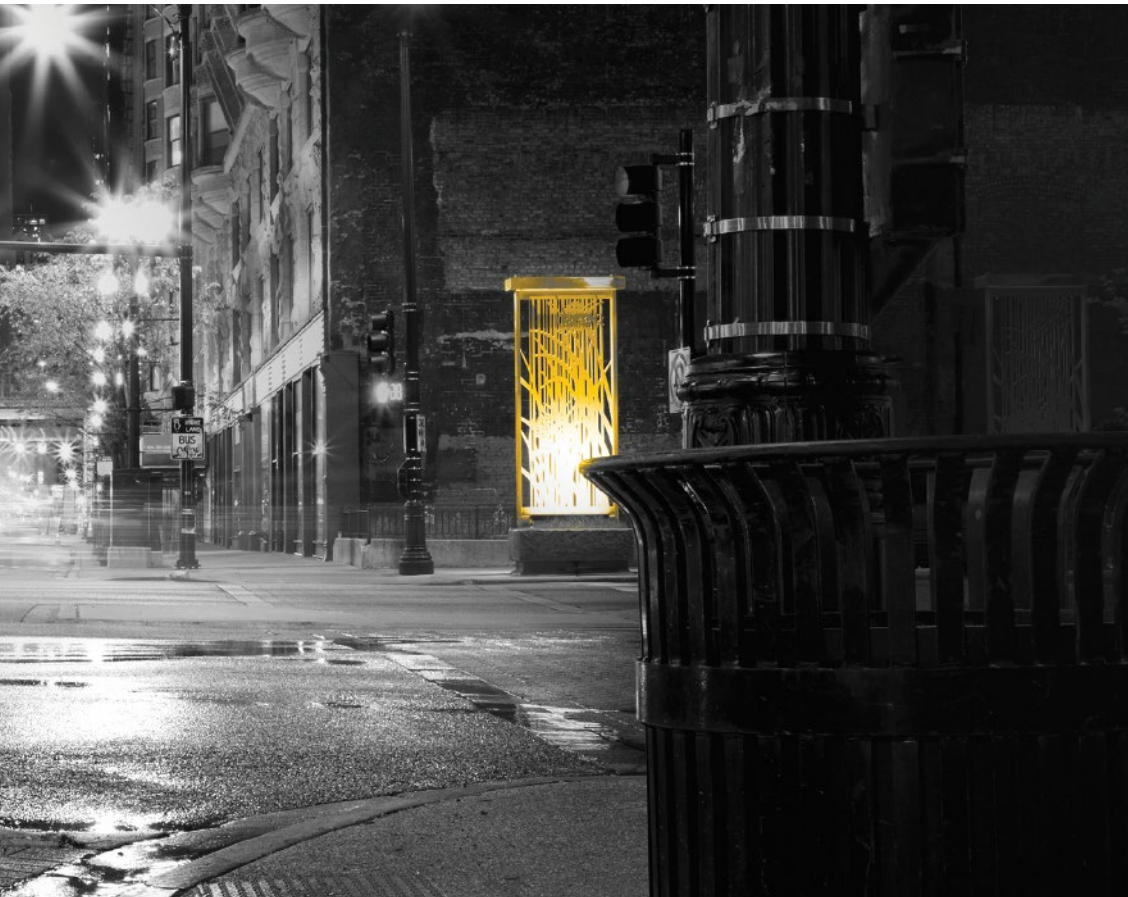

WELCOME, HYBRID FLEXIBILITY.

Discover German precision that blends a plug-in-hybrid engine with all the SUV advantages. With their two different power sources, the front-wheel drive Grandland X Hybrid and the all-wheel drive Grandland X Hybrid4 provide a maximum of flexibility. Charged like a fully electric vehicle, each can drive a reasonable distance with the electric engine only and reduce exhaust gas emissions to zero.

WELCOME BACK, VERSATILITY.

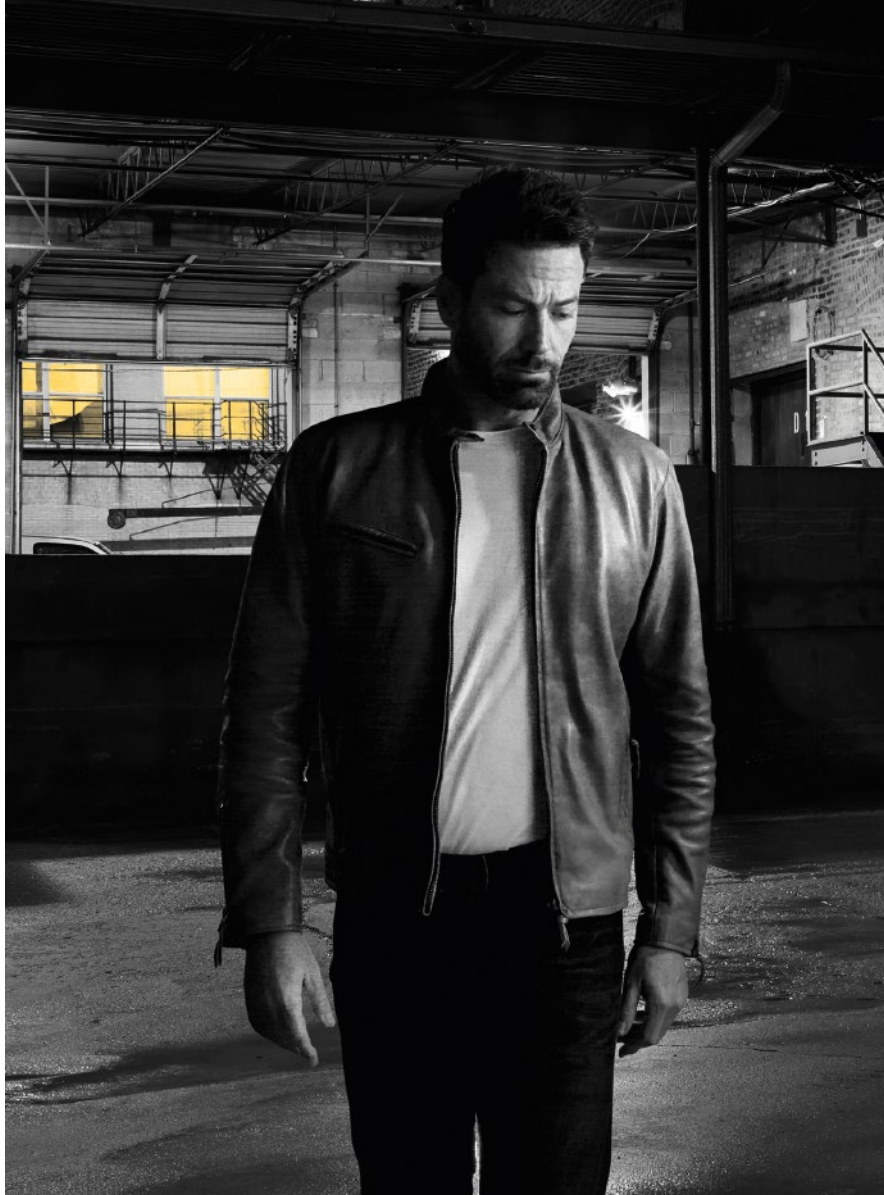

Meet the SUV that gives you the freedom you need to enjoy your everyday ride. From impressive features, incomparable driving dynamics, exceptional look and feel to an efficient engine that matches your needs – get the most out of it.

Certain images and descriptions in this brochure may include some optional equipment. The contents of this catalogue were accurate at the time of going to print (01/2020). We reserve the right to alter specifications and equipment at any time. Please consult your Opel dealer for the very latest information.

WELCOME BACK, HEARTBEAT.

You have always been known for being bold, nimble and quick-witted – and why should that have changed? The innovative features of the Grandland X have got your back in any situation.

IMPRESSIVE 360° SURROUND VISION*

Enhance your view to the max: a camera in the front and one in the back surveil pedestrians, bumps and other obstacles.

PREMIUM DENON® SOUND SYSTEM*

The tailor-made sound system turns every road into a sound track.

BRIGHT LED HEADLAMPS*

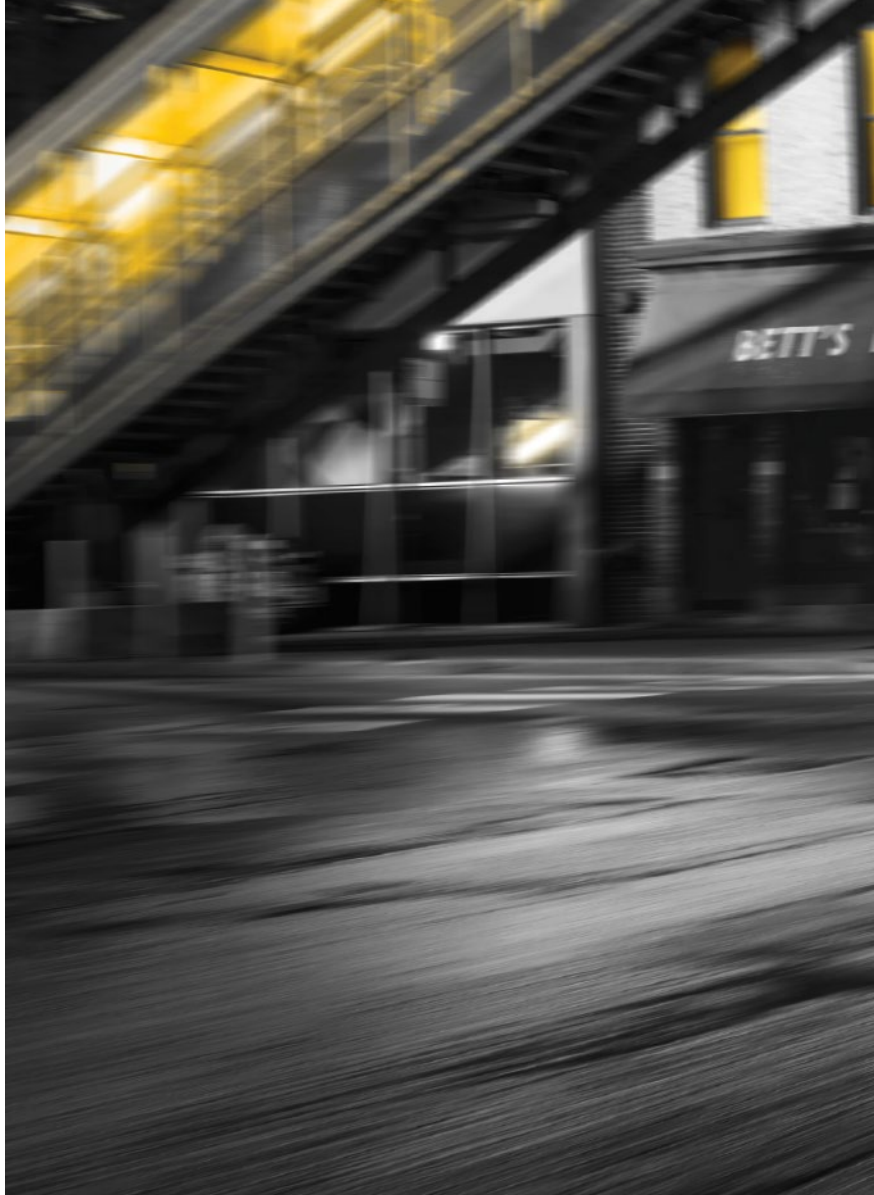

Discover the innovative LED headlamps with Adaptive Forward Lighting and 30 % brighter vision than with conventional headlamps, thus increasing visibility.

*Available as an option, standard equipment or not available, dependent on model.

WELCOME BACK, WANDERLUST.

**YOUR TIME HAS JUST BEGUN –
AND THE BEST IS YET TO COME:**
the Grandland X oozes adventure from every angle with its sharply cut lines, muscular appearance and athletic attitude. Just get out there and follow your nose until night falls when you can gaze at the stars through your panoramic roof*.

*Available as an option, standard equipment or not available, dependent on model.

WELCOME BACK, ATTITUDE.

OVERLOOK YOUR TERRITORY:

the relaxing high seating position gives you a comfortable lookout. Heated and ventilated Ergonomic Active Front Seats* support you on long trips. They adjust electrically in up to 16 ways* for your perfect sitting position – simply push the buttons on the side of the seat.

WELCOME HOME:

premium materials, expressive shapes and the elegant design make the interior of the Grandland X the ultimate you-zone.

EVERYTHING WITHIN REACH:

the control panels are ergonomically optimized to keep your attention on the road.

*Available as an option, standard equipment or not available, dependent on model.

WELCOME, PLUG-IN-HYBRID TECHNOLOGY.

POWERFUL SHAPES, THE HYBRID WAY.

From its powerful combination of internal combustion petrol engine and electric engine, to its custom-made interior and exterior design – clearly everything about this SUV feels good. From the very first sight, the Grandland X Hybrid range attracts with its athletic design and muscular stance. Inside, you'll be just as pleased. Take a closer look.

SMOOTH ON THE INSIDE

Ergonomic controls, automatic transmission gear shifter, a leather flat bottom steering wheel with shift paddles and premium materials all merge beautifully to deliver a luxury cabin. A clear digital instrument panel illustrates Hybrid/Hybrid4 specific driver and battery use information.

DISCOVER NEW POWER SOURCES

Your freedom of choice: charged like a fully electric vehicle, the Grandland X Hybrid and Hybrid4 give you the option of driving on full electric for a period of time.

TOUGH ON THE OUTSIDE

The Grandland X Hybrid and Hybrid4 have a bold appearance with their sharply cut lines, muscular stature, athletic attitude and set a statement with their distinct Hybrid/Hybrid4 badge.

WELCOME BACK, INGENUITY.

AUTOMATIC EMERGENCY BRAKING*

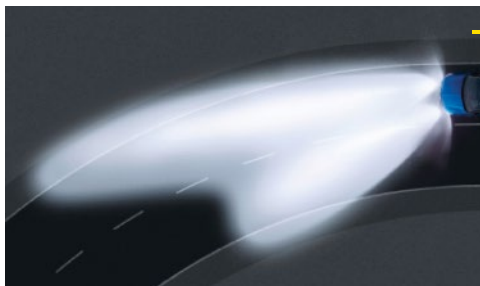

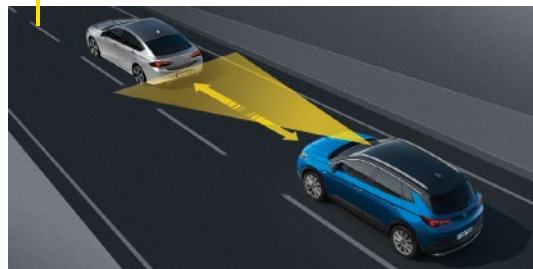

can independently recognise dangerous situations ahead of the road and warn the driver acoustically. If another car or a pedestrian gets too close, the system decelerates your car. It even brings it to a standstill for speeds of up to 30 km/h.

AUTOMATIC CRUISE CONTROL*

Sees ahead and maintains a safe distance from the vehicle in front at speeds between 30 and 180 km/h. The automatic acceleration and braking is extremely comfortable on long trips.

ECO LED HEADLAMP*
The advanced economical lighting technology saves electrical power and thereby reduces fuel consumption.

LED HEADLAMPS WITH ADAPTIVE FORWARD LIGHTING*

Here you can see improvement at work: look ahead of curves and keep the high beam activated without affecting oncoming vehicles. Let the headlamps lead you through the night – it automatically adapts to the conditions.

* Available as an option, standard equipment or not available, dependent on model.

WELCOME BACK, CURIOSITY.

Drive ahead of the pack with these outstanding innovations.

KEYLESS OPEN & START*
Easily get into your Grandland X without taking the keys out of your pocket.

360° SURROUND VISION CAMERA*
Indispensable in confined spaces. See what is happening behind or in front of the car from a top view.

ADVANCED PARK ASSIST*
Take your hands off the steering wheel and let Grandland X steer autonomously.

WELCOME BACK, AUTONOMY.

No matter whether you already know your next destination or simply follow your intuition – the stunning features of the Grandland X will get you there. Wherever that might be.

NAVIGATION SYSTEM WITH 8" TOUCH SCREEN*
Ensures you get to your next adventure, swiftly. Or home.

PREMIUM DENON® SOUND SYSTEM*
The advanced Hi-Fi system with 8 audio speakers, subwoofer and an amplifier with 240 watts output help you live it up.

SEAMLESS SMARTPHONE INTEGRATION*
Connect your smartphone via Apple CarPlay™ or Android Auto™ with your IntelliLink infotainment system to access your phone, music and essential apps via the touch screen.

WIRELESS CHARGING DOCK*
Simply place your phone in the designated cradle for hassle-free charging.

OPELCONNECT SERVICES*

A smart range of services delivering a new degree of safety and support helps you stay connected on the road – also when driving electric.

Peace of mind:

Emergency Call, Breakdown Call and Vehicle Status and Information.

Convenience:

Remote Functions for door locks, horn and lights. Our additional services for electric vehicles: e-Remote Control, Trip Planner and Charging Pass – we keep you going!

Smart driving:

Enjoy a relaxed ride thanks to Live Navigation and Trip and Drive Management.

WELCOME BACK, COMFORT.

LET THE WINTER SUN IN.

Turn winter into the cuddliest season with the heated premium features and the panoramic roof*. It might be winter outside – but not inside the Grandland X.

THERMATEC HEATED WINDSCREEN*
The ThermoTec technology quickly unfreezes the windshield, making your morning ice scrapings a thing of the past.

HEATED SEATS*

Winter Pack 1* gets you heated front seats with three settings. Winter Pack 2* adds some warmth to the back seats.

HEATED STEERING WHEEL*

Heats up the gripping surface with the push of a button. Once you get your hands on it, you'll never want to let go.

WELCOME BACK, ME TIME.

NOW THAT'S AN IMPRESSIVE LOAD VOLUME:

the **514-litre** boot space easily expands to **1.652 litres** by folding down the rear seats. There has never been a better time to take up a new hobby.

FLEXFOLD

More passengers or more space? You can make the FlexFold seats* disappear with one hand movement. The 40 : 60 split ratio lets you adapt to the situation in no time.

POWER TAILGATE*

How many times have you wished for a third hand to get out your keys when approaching your closed boot door with both hands full? Don't despair: a little kick beneath the rear is enough in future.

SKI PASS-THROUGH*

Roof mounting snow gear is generally the least enjoyable part of a snow adventure. The pass-through allows skis and similar objects travel safely inside the car.

WELCOME BACK, BACK.

Take a seat – it's comfy. And because we care about your health, we threw in Ergonomic Active Front Seats¹ – add leather for even more luxury! They received the seal of approval from the AGR – Campaign for Healthier Backs – and adjust in up to sixteen possible ways.
