

# GRANDLAND X

Price and Specification Guide | 4 November 2019 | Model Year 2020

# CONTENTS

To find the information you want use the links below to navigate around the guide:

---

## [RANGE HIGHLIGHTS >](#)

Explore the Grandland X range and find your perfect model.

## [MODELS >](#)

Find all the information you need about your chosen model.

## [PRICES >](#)

Find recommended retail prices and tax bands.

## [FEATURES/OPTIONS >](#)

Tailor your chosen model to suit your needs with everything from satellite navigation to rear-view camera and parking sensors.

## [EXTERIOR COLOURS >](#)

Add some sparkle to your car with a metallic paint.

## [WHEELS AND TYRES >](#)

Why not upgrade to a set of distinctive alloy wheels to give your car more presence.

## [PERFORMANCE, FUEL ECONOMY AND EMISSIONS >](#)

Know how many litres you are using around town, the CO<sub>2</sub> figures and the 0-100km/h time.

## [DIMENSIONS >](#)

Ensure your car will fit in the garage and know how much luggage you can take for a long weekend away.

## [SPECIFICATIONS >](#)

Towing weights, engine details and other useful details you may need to know.

# GRANDLAND X RANGE HIGHLIGHTS

## SC from €28,995

### Standard features include:

#### Infotainment:

- R4.0 IntelliLink system
  - Smartphone projection, Apple CarPlay™ and Android Auto™
  - 7-inch colour touchscreen
  - AM/FM/digital radio
  - Bluetooth® connectivity
  - USB connection with iPod control

#### Interior convenience/styling:

- Dual-zone electronic climate control
- Cruise control with intelligent speed adaptation
- Leather-covered steering wheel with audio controls
- Steering column adjustable for reach and rake

#### Exterior convenience/styling:

- 17-inch silver-effect alloy wheels
- Auto lighting/windscreen wipers
- Front fog lights

#### Safety/security:

- Switchable electronic stability programme
- Anti-lock braking system
- Six airbags
- Lane departure warning
- LED daytime running lights
- High beam assist
- Rear parking distance sensors
- Remote control security alarm system

## SRi from €32,295

### Features over SC:

#### Infotainment:

- Navi 5.0 IntelliLink system
  - Fully integrated European sat nav system
  - 8-inch colour touchscreen
  - Voice control

#### Interior convenience/styling:

- Ergonomic active front seats
- Ambient lighting
- Versatility Pack
  - Centre rear seat armrest with ski pass-through
  - Illuminated luggage area
  - Flex Floor with under-floor divider
- Alloy-effect door sill covers

#### Exterior convenience/styling:

- Black roof and door mirrors
- Dark-tinted rear windows
- 18-inch diamond-cut alloy wheels
- Alloy-effect protective front and rear skid plates
- Chrome-effect side window trim
- Electrically foldable door mirrors with puddle lights

#### Safety/security:

- Front parking distance sensors
- Safety Pack
  - Driver drowsiness system
  - Forward collision alert
  - Automatic emergency braking
  - Lane assist
- Side blind spot alert

## ELITE from €34,795

### Features over SC:

#### Infotainment:

- Navi 5.0 IntelliLink system
  - Fully integrated European sat nav system
  - 8-inch colour touchscreen
  - Voice control

#### Interior convenience/styling:

- Leather seat facings
- Ergonomic active front seats
- Power driver's seat
- Heated front seats
- Versatility Pack
  - Centre rear seat armrest with ski pass-through
  - Illuminated luggage area
  - Flex Floor with under-floor divider
- Alloy-effect door sill covers

#### Exterior convenience/styling:

- 19-inch multi-spoke silver alloy wheels
- Panoramic glass roof • Heated windscreen
- Alloy-effect protective front and rear skid plates
- Chrome-effect side window trim

#### Safety/security:

- Front parking distance sensors
- Safety Pack
  - Driver drowsiness system
  - Forward collision alert
  - Automatic emergency braking
  - Lane assist
- Side blind spot alert

## ULTIMATE €41,995

### Features over Elite:

#### Infotainment:

- Denon premium sound system
- Wireless charger

#### Interior convenience/styling:

- Automatic cruise control with intelligent speed adaptation

#### Exterior convenience/styling:

- Black roof and door mirrors
- Dark-tinted rear windows
- Premium LED Adaptive Forward Lighting Pack with projector headlights
- Power tailgate

#### Safety/security:

- Panoramic camera
- Advanced park assist
- Keyless entry and start

# STANDARD FEATURES

## ALL MODELS

---

### Driver/passenger airbags

- Driver's and front passenger's airbags
  - Front seat side-impact airbags
  - Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers
- 

### Seating

- Height-adjustable front seat head restraints
  - Height-adjustable rear seat head restraints
  - Anti-submarining ramps in front seats
- 

### Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
  - Dual seatbelt pretensioners on front seats – These keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the fascia
  - Pretensioners on outer rear seatbelt retractors
  - Load limiters on outer rear seatbelt retractors
  - Smart seatbelt reminder for front and rear seats – Warning lights and audible warning
- 

### Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat.
  - i-Size compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – Allows i-Size child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
  - Child-proof locks on rear doors
- 

### Driver/passenger safety

- Energy-absorbing steering column
  - Side-impact protection beam
  - Reinforced passenger safety cell
  - Deformation zones front and rear
- 

### Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries
  - Upper and lower bumper design – Reduces upper and lower leg injuries
- 

### Braking and stability

- Switchable Electronic Stability Programme (ESP)
  - Anti-lock Braking System (ABS)
  - Corner stability control
  - Traction control
  - Hill start assist
  - Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking.
  - Hydraulic brake assist
  - Electronic brakeforce distribution.
- 

### Tyre pressure

- Deflation detection system
-

# STANDARD FEATURES

## ALL MODELS

---

### Electric parking brake

- Centre console switch in lieu of handbrake lever
- 

### Steering

- Speed-sensitive electric power-assisted steering
- 

### Speed sign recognition

- Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
  - Recognises different speed signs, including temporary speed restrictions
  - Displays reminder in the instrument cluster
- 

### Security features

- Electronically protected audio equipment
  - Engine deadlock immobiliser
  - Visible Vehicle Identification Number (VIN)
  - Locking wheel nuts
  - Luggage compartment cover
- 

### Remote control central locking

- Operates on doors, tailgate and fuel filler flap
  - Deadlocking
  - Driver's internal central locking activation switch
- 

### Instrumentation

- Speedometer
  - Rev counter
  - Fuel gauge with low fuel level warning light
  - Water temperature gauge with warning light
  - Shift-up indication light (manual models only) – Indicates when to change gear for optimum fuel economy
- 

### Driver information display (centrally located in instrument cluster)

- Displays trip computer data
  - Total mileage
  - Service-due indicator
  - Deflation detection system
  - 3.5-inch colour information display
- 

### Multi-function trip computer (displayed on driver information display)

- Trip mileage
  - Vehicle range based on remaining fuel
  - Average speed
  - Average fuel economy
  - Instantaneous fuel economy
- 

### Central fascia display (format dependent on infotainment unit)

- Audio information
  - Digital clock with automatic RDS time adjustment
  - Outside air temperature with ice warning function
  - Additional features dependent on infotainment unit (see infotainment for details)
- 

### Seating and comfort

- Reach and rake adjustable steering
  - Steering wheel mounted audio controls
  - Three-person layout
  - 60/40 split-folding rear seat
  - Height-adjustable and removable head restraints
  - Centre rear seat head restraint
- 

### Electronic climate control incorporating air conditioning

- Dual-zone control – Allowing different temperature settings for driver and front passenger.
  - Advanced predictive logic control system using a sun sensor
  - Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
  - Automatic air direction and fan speed with manual override
  - Illuminated controls
- 

### Additional heating and ventilation features

- Four adjustable fascia vents
  - Windscreen demist vents
  - Side window demist vents
  - Rear passenger compartment heating ducts
  - Heated rear screen with timed cut-off
- 

### Interior convenience features

- Front 12-volt electrical accessory socket
  - 12-volt electrical accessory socket in luggage compartment
  - Front and rear passenger assist handles
  - Automatically dimming anti-dazzle rear-view mirror
  - Driver's centre armrest
-

# STANDARD FEATURES

## ALL MODELS

---

### Interior lighting

- Courtesy lighting operated by door switches
- 

### Interior storage

- Ventilated glovebox with lid • Front door pockets with 2.6-litre capacity
  - Two drinks holders in centre console • Rear door pockets with 1.8-litre capacity
  - Covered storage compartment in centre console and in driver's armrest
- 

### Luggage area

- Luggage compartment foldable cover • Fully carpeted luggage area
- 

### Exterior lighting features

- LED daytime running lights • Automatic lighting control • Lights-on audible warning
  - LED tail lights • High-level centre rear brake light • Rear fog light • Reversing light
  - Hazard warning lights • Door-to-door illumination • Welcome lighting
- 

### Front fog lights

---

### Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe • Intermittent rear window wash/wipe
  - Rain-sensitive windscreen wipers
- 

### Door mirrors

- Twin electrically adjustable/heated door mirrors (wide-angle on driver's side) with automatic timed cut-off – Mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car
- 

### Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch facility • Heated rear window
- 

### Sight and Light Pack

- Automatic lighting control • High beam assist • Rain-sensitive windscreen wipers
  - Automatically dimming anti-dazzle rear-view mirror
- 

### Body styling

- Side-protection mouldings • Chrome-effect front grille bar • Body-colour door mirrors
  - Body-colour door handles • Rear spoiler
- 

### Windows

- Sound-absorbing windscreen • Tinted windows
-

# FEATURES/OPTIONS

## DRIVER ASSISTANCE

	SC	SRI	Elite	Ultimate	Prices including taxes (€)
<p><b>Cruise control with speed limiter and intelligent speed adaption</b></p> <p>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required. Working in conjunction with speed sign recognition, when a new speed limit is detected a message appears in the driver information display. You can then set the cruise control to the new speed limit with a simple press on a steering wheel button.</p> <ul style="list-style-type: none"> <li>• Steering wheel mounted controls</li> </ul>	●	●	●		
<p><b>Automatic cruise control with speed limiter and intelligent speed adaption</b></p>				●	
<p><b>Lane departure warning</b></p> <p>If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 60km/h.</p> <ul style="list-style-type: none"> <li>• Warning light in instrument cluster</li> <li>• Audible warning</li> <li>• Facia on/off switch</li> </ul>	●				
<p><b>Side blind spot alert</b></p> <p>Side blind spot alert helps prevent potential collisions with other vehicles ‘hidden’ in the vehicle’s side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror.</p> <ul style="list-style-type: none"> <li>• Ultrasonic side sensors with three-metre range</li> <li>• Warning light in door mirrors</li> <li>• Operates at speeds between 11km/h and 112km/h (where permitted)</li> </ul>		●	●	●	

# FEATURES/OPTIONS

## DRIVER ASSISTANCE CONTINUED

	SC	SRI	Elite	Ultimate	Prices including taxes (€)
<p><b>Safety Pack</b></p> <p>The front camera and radar systems combine to enhance the driver assistance and safety features.</p> <p><b>Driver drowsiness system</b></p> <p>The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.</p> <p><b>Forward collision alert with automatic emergency braking and pedestrian detection</b></p> <p>The system operates automatically from 5km/h and gives an audible warning as well as a visual warning when approaching another vehicle too quickly. If no avoiding action is taken by the driver, at speeds below 31km/h the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 31km/h to 112km/h it brakes automatically to reduce speed by a maximum of 50km/h – to reduce speed even further the driver must brake him/herself. The operational speed range of the system depends on the detected obstacle (mobile target: from 5km/h to 112km/h; fixed target: from 5km/h to 80km/h; pedestrian: from 5km/h to 60km/h). Opel driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task.</p> <p><b>Lane departure warning with lane assist</b></p> <p>When lane departure warning identifies an imminent lane departure without driver input, lane assist applies gentle steering corrections to keep the vehicle within its lane. The system operates from 64km/h.</p>		○	●	●	500
<p><b>Parking sensors</b></p> <p>• Rear parking distance sensors • Audible warning</p>	●				

# FEATURES/OPTIONS

## DRIVER ASSISTANCE CONTINUED

	SC	SRI	Elite	Ultimate	Prices including taxes (€)
<p><b>Park and Go Pack Two</b></p> <p><b>Advance park assist</b> Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse and brake. The system works with both parallel and bay parking.</p> <ul style="list-style-type: none"> <li>• Front and rear parking distance sensors</li> <li>• Ultrasonic side sensors identify suitable parking spaces at speeds up to 19km/h</li> <li>• Fully automated steering</li> <li>• Detailed forward/reverse instructions are shown in the instrument cluster.</li> </ul> <p><b>Rear-view camera</b> The rear-view camera gives a clear view of the area behind the vehicle within the infotainment screen. The camera is mounted in the tailgate above the licence plate. The screen is activated by engaging reverse gear and remains while reverse is engaged.</p> <ul style="list-style-type: none"> <li>• Activated when reverse gear selected</li> <li>• Camera view appears in infotainment screen</li> <li>• Rear bumper and grid lines shown as reference points</li> </ul> <p><b>Premium LED Adaptive Forward Lighting</b> LED elements light the road brighter than halogen, allowing you to see hazards sooner and giving you more time to react. The system uses data such as vehicle speed, steering angle and when the indicators are used to determine the most suitable lighting.</p> <ul style="list-style-type: none"> <li>• Urban light – With street lighting and speeds up to 55km/h, the system automatically enhances the dipped beam function. At speeds below 29km/h the projector units swivel 8° outwards for improved visibility.</li> <li>• Motorway light – At higher speeds, and with a low level of steering inputs, the light range is increased.</li> <li>• Country light – At speeds between 55km/h and 112km/h the lighting is increased ahead and to the sides of the road.</li> <li>• Static cornering light – At lower speeds, when you indicate and turn the steering above a certain angle, corners and bends are illuminated to match steering inputs.</li> <li>• Dynamic curve light – The projector units swivel in the direction of travel based on steering angle and vehicle speed.</li> <li>• Adverse weather light – The projector units swivel outwards to increase illumination of the side of the road and road signs, and to reduce the dazzling of oncoming traffic.</li> <li>• Intelligent main beam control – Powerful down-the-road illumination on top of the LED low beam. Automatically switches between low beam and full beam based on traffic conditions.</li> <li>• Automatic headlight levelling</li> </ul>

# PERFORMANCE, FUEL ECONOMY AND EMISSIONS

	Performance (manufacturer's figures)			Fuel economy (litres/100km)#		CO <sub>2</sub> emissions g/km*
	Wheel size (inches)	Maximum speed (km/h)	Acceleration 0-100km/h (sec)	Combined Low	Combined High	
<b>Petrol models</b>						
1.2 (130PS) Turbo	17/18/19	188	10.4	6.7	6.2	115
1.2 (130PS) Turbo Automatic	17/18/19	196	10.4	7.0	6.6	112
<b>Diesel models</b>						
1.5 (130PS) Turbo D BlueInjection	17/18/19	191	10.9	5.5	5.2	108
1.5 (130PS) Turbo D 8-speed Automatic BlueInjection	17/18/19	191	12.3	5.8	5.3	108
2.0 (177PS) Turbo D Automatic BlueInjection	18/19	210	9.5	6.0	5.9	122

All diesel models feature BlueInjection, see [www.opel.ie/adblue](http://www.opel.ie/adblue)

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: [www.opel.ie/wltp](http://www.opel.ie/wltp)

\*CO<sub>2</sub> emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO<sub>2</sub> produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO<sub>2</sub> with other vehicles tested using the same technical procedures. For more information contact your local Opel Dealer.

GRANDLAND X

All measurements are in mm (inches) unless stated otherwise.

\*Measured using the ECIE method.

# SPECIFICATIONS

## Start/Stop technology

Grandland X's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

## Fuel tank capacity

- 53 litres (11.6 gallons)

## Adblue tank capacity

- 17 litres (3.7 gallons)

## Transmissions

### Six-speed manual gearbox:

Standard on all models except Ultimate.

### Six-speed automatic transmission with Active Select function:

Available at extra cost on all models except Ultimate. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

### Eight-speed automatic transmission:

Available at extra cost on all models except Ultimate.

Standard on Ultimate models.

## Steering

- Speed-sensitive electric power-assisted steering

## Suspension

**Front:** Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

**Rear:** Compound crank with coil springs and gas-pressure dampers.

## Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

## All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

## Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1900	1400 (685)
1.2 (130PS) Turbo Automatic	2000	1300 (696)
1.5 (130PS) Turbo D	2000	1500 (715)
1.5 (130PS) Turbo D 8-speed Automatic	2000	1300 (727)
2.0 (177PS) Turbo D Automatic	2090	2000 (750)

**Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg on all models. **The maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel Dealer. They are designed specifically for Opel models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 96km/h. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# PETROL ENGINE

<b>Engine</b>	<b>1.2 (130PS) Turbo</b>
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
