PRICES AND SPECIFICATIONS

2019.5 models. Prices effective 1 March 2019

MOKKA X RANGE HIGHLIGHTS

MOKKA X SC

Highlights

- Radio 4.0 IntelliLink
- Dual-zone electronic climate control
- Front fog lights
- 17-inch alloy wheels

Infotainment:

- Radio 4.0 IntelliLink
- 7-inch colour touchscreen with DAB/FM/AM Radio
- Smartphone connectivity for your phone, messaging, music, maps and apps
- Apple CarPlay™ and Google Android Auto™ app projection†
- Siri / Google Now voice command for phone, messaging, music and calendar
- Steering wheel controls for phone, music and cruise control
- Bluetooth® phone, messaging and music streaming
- USB and Aux-in connection

Interior/styling features:

- Dual-zone electronic climate control
- Front centre armrest
- Leather-covered steering wheel
- Steering column adjustable for reach and rake
- 60/40 split, flip and fold rear seat

Exterior/styling features:

- Automatic lighting control
- Electrically adjustable/heated door mirrors
- Electrically operated front and rear windows
- Front fog lights
- 17-inch silver-effect alloy wheels

Safety features:

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- LED daytime running lights
- Hill start assist
- Emergency brake assist
- Adaptive brake lights
- Straight line stability control
- Cornering brake control
- Rollover mitigation
- Traction control
- Electronic brakeforce distribution
- Six airbags
- Two rear seat ISOFIX restraints
- Tyre pressure monitoring system

4X4 models also feature:

- Intelligent four-wheel drive
- Descent control system

MOKKA 120 YEARS EDITION

Highlights

- Radio 4.0 IntelliLink
- Dual-zone electronic climate control
- Unique Allure seat trim
- 18-inch alloy wheels

Infotainment:

As SC

Interior/styling features:

As SC, plus:

- Unique Allure seat trim
- 120 Years floor mats

Exterior/styling features:

As SC, plus:

- 18-inch silver-effect alloy wheels
- Alloy-effect door sill covers
- 120 Years name badge

Safety features:

As SC

MOKKA X ELITE

Highlights

- Navi 900 IntelliLink
- Leather seat trim
- Ergonomic sports front seats
- 18-inch multi-spoke alloy wheels

Infotainment:

As SC, plus:

- Navi 900 IntelliLink
- 8-inch colour touchscreen
- Voice command for audio and integrated navigation
- Satellite navigation

Interior/styling features:

As SC, plus:

- Leather-covered ergonomic sports front seats with extendable cushions
- Four-way electric lumbar adjustment
- Heated steering wheel and front seats
- Automatically dimming anti-dazzle rear-view mirror
- Rear seat centre armrest with drinks holders
- Automatically dimming anti-dazzle rear-view mirror

Exterior/styling features:

As SC, plus:

- 18-inch multi-spoke alloy wheels

Safety features:

As SC

4X4 models also feature:

- Intelligent four-wheel drive
- Descent control system

The above is for information purposes only as our products are continually updated and changes may be made to the specifications at any time. If you require any specific feature, you must consult your authorised Opel Dealer who is regularly updated with any change in specification. Specifications are subject to change without notice.
 RRP does not include recommended delivery charge of €700. This price includes the recommended cost of PDI, number plates and delivery to an Opel Dealer. The recommended delivery charge does not include fuel supplied by the dealer, Motor insurance or any other goods or services supplied by agreement between the Dealer and the customer.
 Prices effective 1.3.19. Prices subject to alteration or change without notice or obligation.

MOKKA X FEATURES / OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Height-adjustable outer rear seat head restraints

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front body-lock diagonal seatbelt pretensioner system – *Tightens the seatbelt during the early stages of a frontal impact, limiting forward movement.* • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – *Reduces potential upper body injuries during a frontal impact.* • Front and rear 'seatbelt unfastened' warning light

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – *Permits the safe use of a child seat in the front passenger seat.* • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – *Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.*

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – *Reduces potential injury to the driver's legs and feet during a severe frontal impact.* • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Collapsible windscreen wiper system – *Designed to reduce pedestrian head injuries.*
- Upper and lower bumper design – *Reduces upper and lower leg injuries.*

Stability

Switchable Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Cornering brake control • Straight line stability control
- Descent control system (4X4 models only) • Rollover mitigation
- Traction control

Braking

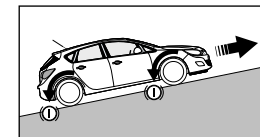

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

– The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

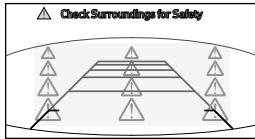

- Emergency brake assist – *When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.* • Electronic brakeforce distribution – *Automatically apportions the optimum braking force to each wheel.* • Adaptive brake lights – *Automatically warns other road users of heavy braking.* • Hill start assist – *Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.* • Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

FWD = Front-wheel drive.

= Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.opel.ie/wltp

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Opel Dealers.

START/STOP TECHNOLOGY

Mokka's Start/Stop system, fitted as standard to all models with a manual gearbox, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged

- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

TRANSMISSIONS

Six-speed manual gearbox:

Petrol engines: All models

Diesel engines: All models

Six-speed automatic transmission with Active Select function:

Available at extra cost on 1.4i (140PS) and 1.6CDTi (136PS) front-wheel drive models.

Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Intelligent 4X4

Electronically controlled four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Speed-sensitive power-assisted steering
- Turning circle (wall-to-wall): 11.50m (37.7ft)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Torsion beam with coil springs and gas-pressure dampers.

BRAKING AND STABILITY

- Switchable Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Traction control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Electronic brakeforce distribution
- Adaptive brake lights
- Hazard warning lights

All models

Front ventilated discs: 300mm diameter

Rear discs: 268mm diameter

BODY

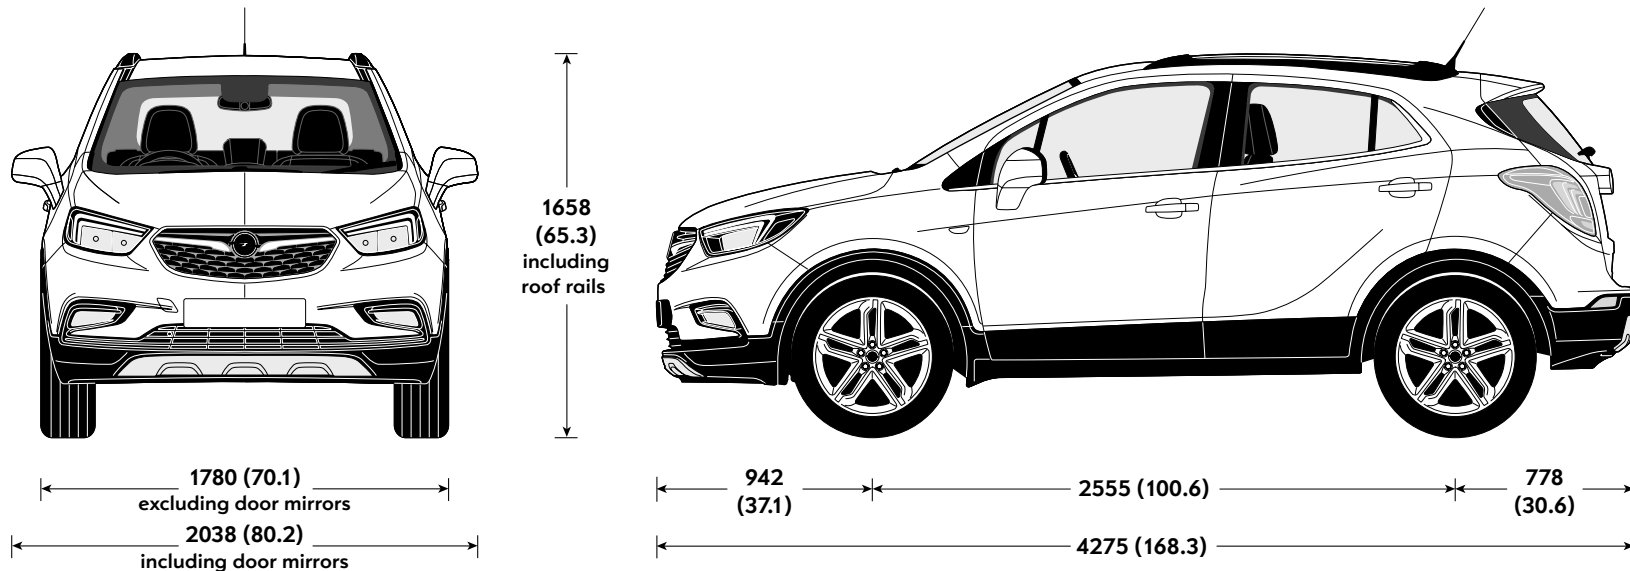

- Aerodynamic drag co-efficient: Cd 0.35

FUEL TANK CAPACITY

- 53 litres (11.7 gallons)

MOKKA X SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i Turbo (140PS) ecoTEC FWD	1828	1200 (500)
1.4i Turbo (140PS) FWD automatic	1843	1200 (500)
1.4i Turbo (140PS) 4X4	1879	1200 (500)
1.6CDTi (136PS) FWD manual	1883	1500 (500)
1.6CDTi (136PS) FWD automatic	1896	1500 (500)
1.6CDTi (136PS) 4X4	1938	1500 (500)

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 75kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded **maximum noseweight** should not exceed 75kg. Always fit Opel towing attachments and accessories available from your Opel Dealer. They are designed specifically for Opel models and carry a 12-month guarantee.

LOADSPACE DIMENSIONS millimetres (inches)

Maximum length (behind rear seats)	731 (28.8)
Maximum length (rear seats folded)	1428 (56.2)
Maximum width	1006 (39.6)
Width between wheel arches	915 (36.0)
Maximum height	808 (31.8)

LOADSPACE CAPACITIES* litres (cu.ft.)

Rear seats up (under luggage compartment cover)	356 (12.6)
Rear seats folded (to upper edge of front seat back)	785 (27.7)
Rear seats folded (to roof)	1305 (46.1)

* = Measured using the ECIE method.
