# THE PURPOSE-BUILT CITYBOX

## OPEL MOVANO CITYBOX

Opel Movano is the strong, versatile van that is built with your business in mind. Whether it's about load volume, payload or towing weight, Opel commercial vehicles offer solutions for any special demands. The cityBOX box van is designed to cover a broad range of transport needs.

The new generation of cityBOX Poly-Light features a strong yet light-weight body with durable, fully smooth polyester walls that offer an ideal background for your company message.

The lightweight construction results in a high net payload. With its clean, sturdy design and various possibilities for tailor-made variations, the cityBOX is ideally suited for all kinds of transport. Your Opel commercial vehicles advisor can give you full information.

The efficient serial production of the cityBOX results in a consistently high quality of this product; that is why it is covered by a standard 3-year warranty. The cityBOX was extensively tested for durability and for that reason bears the Opel Certified Conversion factory approval.
